

Act are specially appropriated to pay the Contingent Expenses of the Legislature, and are stated here because the annual deficit is charged against the 35th Geo. III.) and 41st Geo. III. all of which are appropriated generally to the support of the Civil Government, amounting to

£23263 14 11½

To which adding the sum appropriated and charged against 35th

Geo. III.

5555 11 1½

it shows the amount paid by the Province besides special appropriations, to be

£28819 6 1

That the statement of the Account to the 5th January, 1810, of Pilotage Duties, under 45th Geo. III. No. 8, Appendix A. Vol. 19th. shows a balance unprovided for, of

633 5 1

Refer to No. 4, in Report of Committee on the Public Accounts, page 192, Vol. 18th. of Journals.

That the Statement No. 10, same Appendix and Volume, shows an unappropriated balance applicable to the amelioration of the Inland Navigation between Montreal and Lake St. Francis, 48th Geo. III. Cap. 19th. of

£1683 17 2

and that nothing had been expended subsequent to the year 1807.

That the sum of £2000, as appropriated for the above purpose by 45th and 46th Geo. III. are charged in Account No. 13, Volume 17, and brought to credit of the above Account No. 10 to 5th Jan. 1810, the whole expenditure to that date, C'y. £1423 5 10

That the Account No. 14, gives credit erroneously for the sum levied under 45th Geo. III. and shows an unappropriated balance on the receipts and payments under that Act and those of 33d and 35th of the King, on the 5th January, 1810, including the balance of

£16805 8 8½

brought from the preceding year, of

£35238 11 2½

N. B. The error above alluded to, is rectified in the Accounts of the succeeding year.

The only further remark that your Committee see necessary to be made on these Accounts, is, that the incidental expenses attendant on the Collection of the Provincial Revenue of the Crown, appear to have increased considerably, and the cause thereof is not stated in the Accounts.

2d.

That the amount of Receipts under the different Acts in force, and of which an account is rendered to the House of Assembly, from 6th January, 1810, to 5th January, 1811, was as appears by Account No. 13, in Appendix B. in Volume 19th, of the Journals of the House,

£70356 10 3

That the total amount of Warrants granted by His Excellency the Governor in Chief, during same period, was, besides the Contingent Expenses of the Legislature, £49347 4 10 Sterling, equal to Currency,

54830 5 4½

That the Contingent Expenses of the Legislature, paid by Warrants, amounted to

3734 7 11

That the amounts following were paid during same period, under the authority of different Acts of the Legislature, viz :
