CARD

To the Electors of the Municipality of St. John's, Gentlemen:

I beg to offer my services as Councillor at the forthcoming general election.

Having acted as Public Health Officer under the old Board of Works regime, and since having obtained a diploma in Sanitary Science from the Colleges of Edinburgh and Glasgow, I feel that in connection with public health matters there are various questions in which my knowledge and experience might be of value should the Municipality see fit to choose me as one of its representatives.

If elected I shall endeavour to do my utmost to initiate and carry forward any and all measures deemed expedient and necessary for the welfare and good government of the city generally.

Particularly shall I strive to have remedied many existing evils hitherto overlooked, and by careful inspection and general supervision have these neglected portions of the town made more sightly and health-giving.

J. SINCLAIR TAIT, M.D., D.P.H.

TO THE CITY RATEPAYERS

At the request of a large number of my Friends and Supporters I have decided to place myself in nomination at the forthcoming election. I shall endeavor to make a call on all the Electors before Polling Day if time will permit. If I fail to make my visit to you, I ask you to accept this Card as a canvass, and if honored with a seat on the Council Board I will do my utmost for the interest of my native city.

Yours truly,

N. J. VINICOMBE.

TO THE RATEPAYERS OF ST. JOHN'S

At the request of a large number of my friends, both East and West, I have decided to place myself in nomination at the forthcoming Municipal Election. Owing to the limited time between now and Polling Day, and the possibility of not being able to call on every elector personally, I would kindly ask them to accept this card as a personal canvass. I promise, if elected, to use all my energies to see that the civic taxes are spent judiciously.

H. J. BROWNRIIG

DIRECTIONS FOR THE GUIDANCE OF ELECTORS IN VOTING.

Each elector, on entering the room where the poll is being held, shall declare his name, surname, and addition. After so doing he shall receive two ballot papers in the above forms respectively.

Each elector, if required by the Deputy Returning Officer, the Poll Clerk, one of the Candidates, or one of their agents shall, before receiving his ballot papers, take an oath of qualification. The voter is to vote only for one candidate for Mayor and for six candidates as Councillors.

After receiving the ballot papers the voter shall go into one of the compartments and with a pencil, there provided, place a cross in the division containing the name of the candidate for Mayor, and the six candidates for Councillors, for whom he intends to vote, as—X.

The voter will then fold each ballot paper, so as to show a portion of the back only, with the initials of the Deputy Returning Officer and shall hand them so folded up to the Deputy Returning Officer, and the Deputy Returning Officer shall, with unfolding them, ascertain that they are the ballot papers which he furnished to place them in the Ballot Box. The voter shall forthwith leave the Polling Station.

If a voter inadvertently spoils a ballot paper, he may return it to the Deputy Returning Officer, who will give him another. If a voter votes for more candidates than he is entitled to vote for, or places any mark on the ballot papers by which he can afterwards be identified, his vote will be void and will not be counted.

If a voter takes a ballot or ballot paper out of the Polling Station, or fraudulently puts any other paper into the Ballot Box, than the papers given him by the Deputy Returning Officer, he will be subject to punishment by a fine of Five Hundred Dollars or by imprisonment for a time not exceeding six months, with or without hard labour.

The following is published for the information of the public:

ST. JOHN'S MUNICIPAL ELECTION

QUALIFICATION OF VOTERS.

A voter must be a male British subject of the age of 21 years and upwards.

He must have resided for one year next preceding the election within the limits of the town of St. John's as defined in the St. John's Municipal Act, 1902.

Being qualified as above, he may vote if he

- (1) Has occupied a dwelling house within the above limit for the period, or if he
(2) Has been liable to and actually paid rates or assessments to the St. John's Municipal Council as
(a) Ground landlord, or
(b) Owner lessee or occupier of any lands, tenements, buildings, or any interest therein, or
(c) Any taxes under the St. John's Municipal Act, 1902, or any former Act relating to the Municipal affairs of St. John's.

The mere fact of the purchase of coal upon which a revenue has been paid to the Customs does not in itself qualify the purchaser to vote.

F. J. DOYLE, Returning Officer.

GOT A RAISE OF ONE CENT AN HOUR

For some weeks past many of the miners have been leaving Bell Island alleging that the wages they received are too small and that they can do better at the fishery or at Sydney and other places. We learn that last week the Companies advanced the wages by one cent per hour. The same Companies pay the men working at Sydney \$2.50 per day but it seems that anything is good enough for Newfoundland.

OBITUARY

MRS. JAMES R. STICK

Many in the city learned this morning with sincere regret of the passing of Mrs. Stick, wife of our respected fellow townsman Mr. James R. Stick, at midnight at her residence Deyon Row. Mrs. Stick was well known and highly esteemed by many in the city for her amiable and kindly traits of character. Besides her husband there are surviving her three sons, Lieuts. Bob and Len of the 1st Nfld. Regiment and Myles of the Ambulance Brigade, all doing active duty at the front in the great world war. Joseph of the Royal Stores, and Misses May, Emma and B. Stick. To the sorrowing husband and family The Mail and Advocate extends its condolence.

VOLUNTEERS GOOD SHOOTING

Yesterday a platoon of volunteers under Musketry Instructor Barns had rifle practice on the South Side Range on the pattern of the work now being done in England. The men have two rifle pits built and using their own discretion and judgement as to wind allowance and elevation did very fine work. With fixed bayonets they shot at 100, 200 and 300 yards and eight possibles were scored, though none of the 50 firing had ever before used the new rifle or fired at the same kind of target. The performance is highly creditable to the men.
