GUELPH TOWN COUNCIL.

and Messrs Pipe and Stevenson.

The Clerk reported the receipt of £123 8s 4d, from the Township Council towards the erection of Eramosa Bridge, also a Map of the Milwankee and Mississippi Railway rem 125 2 Hollon, Esq., D. M. & M. R. Company; and also that he has issued Licenses to James Phalen, F. W. Stone, Geo. Warren, P. Hayland, Jas. Murphy, W. J. Brown, and W. R. Fisken, to sell swintness liquors. A Report from the Tavern Inspectors was

good Tayera accommodation—as regards beds and stabling—will be required in the town of Gueph during the current year, the inspectors yould recommend that all Saloon said the Committee.

The Inspectors would for various reasons, recommend that no License to sell Malt Beer only, he allowed during the present year.

They would also particularly refer to one matter of some importance. There are several parties now in town, who wish to take out additional Tavern or Saloon Licenses.

Honour and Honesty, to pay me the balance they are several parties now in the present the pre

The By-Law relative to Taverns, &c.,

was introduced; but it was referred to a Compilitee, and will be amended and passed at a special meeting of the Council, which held early next week.

ourned.

Correspondence.

[The following communication came to hand last week, but was unavoidably post-To the Editor of the Mercury.

DEAR SIR,

tleman in Guelph who negociated that loan, with the greatest pain that his boots were ta-and the names of several gentlemen from ken off.—Detroit Tribune. Guelph who became security for repayment; but as I would not wish to see your paper but as I would not wish to see your paper made the medium of dragging private indistrictions and interest the public —more especially as Lummerman, Esq., of Niagara Falls, by the inhabitants of Niagara, was placed in the Town Aall on Monday and Tuesday for the roughly ashamed of ever having had any thing to do with the introduction either of the great admiration. It is a vase in shape of the long nacked Roman inchess.

The Volume for 1854 will be the sixth under its present management. Professor Buckland, of the Toronto University, and Secretary of the Toronto University, and Secretary of the Upper Canada Board of Agrithment of Agrithment of Niagara, was placed in the Town Aall on Monday and Tuesday for the inspection of the public, where it excited great admiration. It is a vase in shape of the long nacked Roman prichers.

The Volume for 1854 will be the sixth under its present management. Professor Buckland, of the Toronto University, and Secretary of the Toronto

the council;——and I would ask—how the council;——and I would ask—how does it happen that Mr Pirie, with all his "talents," and "Moderate Conservatism," could not find even a proposer when a candidate for the Glerkship of the Council is ability or integrity. He-turns up his nose at "kitchen stuff."—I should like to know at "kitchen stuff."-I should like to know how long it is since the old gentleman emigrated into a clean parlour;—and I trust,
for his own sake, when next I come between
his "nobility and the wind," that he will be
redolent of the drawing-room. I would not

Mr Thomas Terry, of a son. grated into a clean parlour; -and I trust, thus have noticed his personal allusions to yourself, sir, were it not that he has attempt- At Beverly, on the 27th., by the Rev. Wn de to identify you as the writer of these let-ters; and I would advise him for the future

Barrie, Mr George Dryden, farmer, to Miss each,
Jane Finglaw, both of Eramosa.

Al ters; and I would advise him for the future to avoid personality, if he can, and try to the 9th inst., by the Rev. Win Barrie, Mr grapple with the arguments which go to John Armstrong, to Miss Nancy Johnstone, prove him to be as great a political swindler both of Eramosa.

to range immoderately high for the next two as ever appeared in the annals of newspaper to range immoderately high for the next two or three years.

Such being the case, it becomes the duty of every Capandian farmer to prepare at once for the approaching seed time, and sow the largest possible quantity of spring wheat, and in proper season. By good cultivation, from eighteen to twenty-five bushels per acre may be grown, and that quantity will pay a higher far eventage on the capital exbended than double the yield of fall wheat in former years. While wheat ranges extremely high, the coarser grains will also bring a good price so that every exertion should be made in Canada, and the United States, to use every peared in the numbs of newspaper fluidishing. I call upon him either to admit the truth of my assertions, without his usual equivocation, or to publish the names you will forward to him, and then allow those gentlemen to decide between us, and if they depict the farmed to decide between us, and if they appeared in the amount always extremely high, the coarser grains will also bring a good price so that every exertion should be made in Canada, and the United States, to use every peared in the names you will be needed to a company of Native Canadan and Lecture will be even hy a company of Native Canada and Lecture will be it the truth of my assertions, without his usual equivocation, or to publish the names you will forward to him, and then allow those gentlemen to decide between us, and if they depreted the famous Capt. Brant, and, judgations of the famous Capt. Brant, and judgations of the famous Capt. Brant, and Judgations of the famous Capt. Brant, and will expect an early call this month with the needful: and this evening in the Temperance Hall Guelph. Several of these Indians, this evening in the Temperance Hall Guelph. Several of these Indians, this creation in the Temperance Hall Guelph. Several of these Indians, this

other little tit bits,

The Council met last evening in the Court House. Present, the Reeve, Dr. Clarke, and Messrs Pipe and Stevenson.

The Clerk reported the receipt of £123 knowing the particulars of the agreement which the trustees made with Mr Beavis, but the three the court of the council towards. we believe that they are honourable men and have no desire to do any person injustice. There may be some mistake, or some misunderstanding,—we know very little about the matter: but as we publish Mr Beavis's couplaint, our columns are open to a reply be any party who may wish to make it.] Hamilton, Feb. 10th, 1854. To the Editor of the Mercury,

it was a loss to me of about £40.

Now, Sir, I am not going to dispute either To the Municipal Council of the Town the honour or honesty of the Building Com The Inspectors of Taverns for this Mu-That during the past year, they have visited the Hotels and Licensed Houses in the Municipality according to the By-Law relative thereto; and that the several Hotels, and Taveras generally, have been kept in a creditable and satisfactory manner.

In view of the increasing requirements of the several Hotels, and the s I think it was something less; there was ex-In view of the increasing requirements of the job was in the seats: the rest of the job was unexceptionable. I should not have written on the subject, but for one notorious fact, which is this: "the seats were

Inspectors yould recommend that all Saloon Keepers in town do find a certain quantity of beds and stabling, to a reasonable amount, and of such description as is presently required of Tayern Keepers in this Municipality; and that the Saloons be under the same regulations as apply to the Tayerns.

The Inspectors would for various reasons, reasonable and that the License to sell Malt Beer which I agreed to, providing they paid means the same regulations as apply to the Tayerns.

Your Most Obedien Servt.
JOHN BEAVIS, June MECHANIC'S INSTITUTE. The I cot

An offer was received from Col. Hewat, to-pay a sum of money annually, for the occupation of the old burial ground; and to give it up at the end of any year it might be required. The offer was accepted.

Some other business, not of general interest, having been transacted, the Council adoption of Science of

which will be made, relative to Taverus of the House of Entertainment, the Inspectors certificates for Licenses will not be granted till Friday, the 24th instant; on which thay the Inspectors will meet at the Court House for the purpose, [See Advt.]

House for the purpose, [See Advt.]
