By the advice of a friend I began taking Ayer's Pills. In a short time I was free from pain, my food digested properly, the sores on my body commenced healing, and, in less than one month, I was cured. uel D. White, Atlanta, Ga.

My wife and little girl were taken with My whe and little girl were taken with Dysentery a few days ago, and I at once began giving them small doses of Ayer's Pills, thinking I would call a doctor if the disease became any worse. In a short time the bloody discharges stopped, all pain went away, and health was restored.

AYER'S Sugar-Coated Cathartic If the Liver becomes torpid, if the PILLS Ayer's Pills. They are invaluable. For some years I was a victim to Liver

Complaint, in consequence of which I suffered from General Debility and Indigestion. A few boxes of Ayer's Pilis restored me to perfect health.—W. T. Brightney, Henderson, W. Va. For years I have relied more upon Aver's Pills than anything else, to

my bowels. These Pills are mild in action, and do their work thoroughly. I have used them with good effect, in cases of Rhematism, Kidney Trouble, and Dyspepsia.—G. F. Miller, Attleborough, Mass. Aver's Pills cured me of Stomach and Liver troubles, from which I had saffered for years. I consider them the best pills made, and would not be without them.—

I was attacked with Bilious Fever, which was followed by Jaundice, and was so dangerously ill that my friends de-spaired of my recovery. I commenced taking Ayer's Pills, and soon regained my customary strength and vigor. — John C. Pattison, Lowell, Nebraska.

Last spring I suffered greatly from a troublesome humor on my side. In spite of every effort to cure this eruption, it increased until the flesh became entirely raw. I was troubled, at the same time, with Indigestion, and distressing pains in The Bowels.

I have long used Ayer's Pills, in my family, and believe them to be the best pills made.—S. C. Darden, Darden, Miss.
