High Praise for Barnum's Greatest

Barnum's Greatest Show on Earth will exhibit in Fredericton, on Wednesday, June 11th. It is greater than ever before in all departments and more truly than over de-sorves its name. The Providence, R. I., *Journal* speaks of it in the following eulogia-tic terms, after witnessing the performance

in thet city. Barnum is come, and nine thousand men,

women and children of this city and vicinity, went to sleep last night with visions of an immense mass of people in a mammoth tent; of graceful, easy bare back riding, of daring, reckess bare-back riding, of rating and dancing on bare-backed horses by women; and dancing on bare-backed hor gether some time soon. The Toronto Mail and cancing on bare-backed horses by women; of four horses cavoring around a ring, easily guided and made to take all sorts of positions by a women; of feats of magic that put everything they ever aw before in the shade; of the mastegood his promotion, all grace and confidence, on a highly trained all grace and confidence, on a highly trained eter, which she managed by a look or a steed, which she managed by a look or a gain it has motion; of splendit horse going through all sorts of maneurres at the will of the somersault over the backs of siz elephants; of fanny performances of all sorts, of various ther stream, but her tees the will have to ensource with his in the postition of the my erformances of all sorts, of various the stees nuch beyond them. And a sthese nine thousand people dropped the stream of the speech. The free the sees the will the for a time, he, no as the stream of the speech of the server the speech of the speech of the faces and the larget of the speech of the speech of the speech of the faces and the larget of the speech of the faces and the larget of the speech of the faces and the larget of the speech of the faces and the larget of the speech of the faces and the larget of the speech of the faces and the larget of the speech of the faces and the larget of the speech of the faces and the larget of the speech of the faces and the larget of the speech of the faces and the larget g in their sof the long in obeyance. If Sir John is inaway in slumber, there were ringing in their ears, the plaudits and the laughter of the multitude-deserved plaudits, and laughter that bespoke rare enjoyment—the jokes of clown, the music of the band, the words of command, and the speech of the great showcommand, and the speech of the great show, man himself. And over all and above all tondon, in order to bring as much influence to bear on the Imperial Government as pos-sible to induce them to look favorably on the the stronghold, Ulundi, shall neither be easily the money's worth, and more, too, and that the stronghold, Ulundi, shall neither be easily the money's worth, and more, too, and that the stronghold work is the stronghold, Ulundi, shall neither be easily the money's worth, and more, too, and that the stronghold work is the stronghold w the store store of war store store of war store that a least a dozen times during the evening the pacific Railway policy. Without the hearty reached, or quickly surrendered. The latest reached, or quickly surrendered. The latest makers forge. Beyond this is the casting Messrs. S. L. Tilley, Alex. Campbell, Charles Pacific Railway policy. Without the hearty formance of that particular moment was the best they ever saw in that line. That's about Berring the operation and material aid of the Imperial Government that policy cannot be carried Berring the operation and material aid of the Imperial Government that policy cannot be carried Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and material aid of the Imperial Berring the operation and the operation and material aid of the Imperial Berring the operation and the operation and material aid of the Imperial Berring the operation and the best they ever saw in that line. That's about how the people who went to the show felt on getting home after the excitement and en-joyment was over. To say that Barnum's show this year is the best they ever saw in that intervent to the show felt on getting home after the excitement and en-joyment was over. To say that Barnum's show this year is the

Movements of Ministers

To say that Barnum's show this year is the best that ever travelled would be invidious. To say that it is the best Barnum ever travel-led with is saying all that can be said, and is saying just what Mr. Barnum himself says, saying just what Mr. Barnum himself says, and which the thousands who witnessed it yesterday will agree. There are a few things that everybody recognizes as a part of Ba year and year before last, themselves with any onerous engagements and difficult march more hazardous, in front firm has now forty-six employees engaged in highest quarters, but as Mr. Cartwright bears much that is new, and even w features, It would displeased with the protective tariff which our usual the Dominion Government have imposed on those which are not have many new features. those which are not have many new variety, to give an idea of all that is worth variety, to give an idea of all that is morth hold is hostile to them, and they will fully readers have seen for themselves, and as many more will see it to-day. It is not guess-work—the statement that nine thousand per-people were there last evening—it is from a careful estimate by disinterested persons, as well as by Mr. Barnum. The crowd was simply immense, and made the veteran show hat people were there last. Settlement. worthy of special notice, as to the hurdle– many factory to know has that even before the specific many factory to know has that the conflict which, though unhappily that the conflict which, though unhappily readers have seen for themselves, and as recognise the right of the Dominion to man-

Encouraging to Dyspeptics.

CHARLOTTETOWN, P. E. I. Nov, 11th, 1878. Mr. James H. Robinson, St. John, N. B.

On Monday when the wind was high and DEAR SIR,-By, I may say, almost an ac the atmosphere dry, the Chief Engineer of the Fire Department took the precaution to order the city horses to their stables to be ready for any casualty. It was a good move as it is certain that if fire had broken out that day it would have spread with great rapidity. As it happened the horses had a rest, and served my state of health, and after fully describing my trouble, which by the doct

attending me was pronounced dyspepsia or indigestion (in fact I was so had I could only RAILING TENDERS.—A dozen tenders for the Normal School railing from parties in St. John, Fredericton and Dorchester, were sent in to the Public Works Department, and opened on Thursday. The tender of E. A. Charters, Dorchester, was the lowest, but on his receding on further consideration; the Department accepted the tender of \$1,937 of W. L.McGrath of the same aloga phosized Emulsion." To-day I am hearty and strong, and can, without fear, indulge in all the luxuries of a first-class hotel.
