A BAD BITE.—While killing a pig last week, Mr. James Towsley had one of the fingers of his left hand badly bitten by the animal. The flesh was almost taken off the bone.

REV. P. STRAITH, son of our townsman, left on Tuesday for Battleford, Manitoba, to which place he has been appointed by the Home Mission Society connected with the Presbyterian Church.

A PROFITABLE ACRE.—Mr. Stewart, of the Benmiller gardens, informs us that he will this year have about 400 bushels of tomatoes off a little more than an acre of ground. As the average price at which these will be sold, will be about 75 cents per bushel, any one can easily see what a profitable yield this is.

FATAL ACCIDENT.—We regret to learn of the death of Mrs. Eakin, wife of Rev. Jos. Eakin, formerly Presbyterian minister at Kippen, but more lately of Parkhill. About two weeks since Mr. Eakin and family were on their way to Whitby, and while crossing a street in Toronto, Mrs. Eakin having one of her children in her arms, was struck on the head by a team of horses and knocked down. She was at once conveyed to a hotel, and medical aid afforded her. Shortly after the journey was proceeded with, Mrs. Eakin, although feeling unwell, expressing the belief that she would be all right before long. Arriving at Whitby, her injuries were found to be more serious than at first supposed, and in a few days death ended her sufferings.—*New Era.*

Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.

—OF—

ROYAL

If a good machine you want to buy
I'll tell you where to call,
The best are sold by Fishers
So say the people all.
And they are always willing
To give every one a trial,
They sell the champion sewing machine
It is the Family Royal.
If you ain't got the money
You need not fear,
If you cannot pay the cash
They'll trust you for a year.
And when the year is ended
And the money is come due
You never need to be afraid
That they will trouble you.
There are other agents
That sell the Wanzer and the Howe,
But they will never trade
On a horse or yet a cow.
But Fishers, they are willing
That the Farmer too should live
And they will take in change
Whatever they will give.
So if you want to deal with them
You need not be afraid,
For they are always willing
And open for a trade.
The blacksmiths, they have dealt with them
And now their women smile
To think their men were sensible
And bought for them the Royal.
The butchers too, who live in town
Whose women used to scold,
Have bought from them the Royal
That's worth its weight in gold.
Their women now are singing
And on their face a smile
They say that sewing is but play
Since they have got the Royal.
The bakers too have purchased one
But not to mix their dough,
They say it is the best machine
That ever was to sew.
Mr. Harney has been in town
He knows that this is true,
So if you want to purchase
We would like to deal with you.
