This ancient monarch was born in the year 303 A.D., proclaimed Emperor at Autun in 350, and killed himself in 353. The coin is dark colored, about the size of an American cent, and bears on its face the side head portrait of the above named Emperor. It was given to the Walton Session by Mr Thomas Warner, of Cohecton, New York, in exchange for a church token such as is used for church membership by the congregation.—Seaforth Expesitor.

Meredith's party succeeded, he would have adopted a policy in effect precisely the same as that followed by Mr Mowat, a rankling soreness would have been established in the minds of a powerful minority. But the people of Ontario, under wise direction, demonstrated their confidence in their follow-countrymen whose good faith has been impugned, and, as a result, we find a firmer bond of friendship established than ever existed before. It will probably take the partisans of the defeated some time before they can realise the full meaning of the moral we are endeavoring to draw
