## The Swing of the Political Pendulum.

All the world's agog to know how the political pendulum will swing at home this time. In 1906 the Conservatives sustained the greatest defeat experienced by any party. Out of 670 seats they only obtained 158. The majority against them was 354, counting Liberals, Laborites and Nationalists as banded against them. The nearest approaches to this occurred in 1847 and 1852. In 1847 the Liberals obtained a majority of two, and in 1852 the Conservatives got a majority of eight.

It is highly improbable that the Liberal combination will retain their enormous majority. That cannot be expected unless the feeling in favour of the Budget and against the Lords is universal and intense. The territorial, commercial and social influence of the peers and their friends is immense and difficult to estimate. The progress of Tariff Reform is also difficult to estimate, as is the disaffection with army and navy administration.

One is inclined to wonder whether or not T. P. O'Connor may not be right. His partisanship is neither

with the Liberals nor the Tories. He is the chairman of the Nationalist party, and thus disassociated officially from both of the great political parties. He has stated that neither party will have a clear majority, and that the Nationalists will hold the balance of power. Even his forecasts may not be impartial. His wish may be father to the thought.

We append a list of the majorities since the great Reform agitation:—

1832—Liberal	306
1835—Liberal	108
1837—Liberal	40
1841—Conservative	79
1847—Liberal	2
1852—Conservative	8
1857—Liberal	92
1859—Liberal	40
1860—Liberal	60
1865—Liberal	100
1874—Conservative	52
1880—Liberal	176
1885—Liberal	170
1886—Unionist	118
1892—Liberal	40
1895—Unionist	152
1900—Unionist	134
1906—Liberal	356

### Now Cured of Rheumatism

Cost him \$100.00 for medicines which failed.—Cured by DR. CHASE'S KIDNEY-LIVER PILLS.

Mr. James Clark, Maidstone, Sask., writes: "I suffered for four years with rheumatism in my shoulders and could not lift my arms above the head. I tried nearly all the advertised remedies but none of them gave me relief. It cost me at least \$100.00 for medicines before I used Dr. Chase's Kidney-Liver Pills.

"With the use of this medicine, I soon found relief. I followed up this treatment for six months and was then quite free from rheumatism. While using Dr. Chase's Kidney-Liver Pills I also used Dr. Chase's Backache Plaster when so stiff that I could scarcely bend. They always found the weak spot and gave relief while the internal treatment was bringing about a thorough cure."

The success of Dr. Chase's Kidney-Liver Pills has been phenomenal. One pill a dose, 25 cents a box, at all dealers or Edmondson, Bates & Co., Toronto. Dr. Chase's Recipes will be sent free on request.

## THE ROYAL

### Blizzard Blocks Train

Traffic on the railway line is so or less impeded the past two days reason of the blizzard which is west from Blason's Falls. The press which left here at 6 p.m. Tuesday was held up all yesterday at George's, and had not arrived at aux Basques up to midnight. In place on the line the snow is from 6 feet deep. The two fine steam engines which the Road has in its possession are it is believed well fitted to keep their shoes being really powerful. This plan is really clearing the line, and the Company hope to have all the trains run on time by this afternoon.

### Hand Badly Crushed
