The Feed Marke!

Has been going down, down, down the past few months and it looks to us now as if the market has pretty well reached the bottom and that a reaction and stiffening of prices is not at all unlikely.

In view of the persistent decline in values we put off buying as long as we could but have lately made some favourable purchases and are in a position to-day to quote Very Low Prices to arrive on

HAY, OATS, BRAN,
TABLE MEAL, CORN MEAL,
OIL MEAL and CATTLE FEED.
