### A PLEA FOR GOOD PLUGS

"A defective sparking plug can be the cause of many and peculiar troubles. It is, therefore, false economy to purchase cheap plugs on the supposition that they are all 'much of a muckness.' It is true that a cheap plug may be perfectly satisfactory for many hundreds of miles; a plug of first-class make, however, for which a fair price is paid, will generally suffice for at least one season's running in an average engine."

The LODGE plug is known not only as a plug of first-class make which will last, but also as one that clearly manifests its superiority in the firing of a petrol engine.
