The Regina team never had a look-in after this and when the whistle blew for time the Moose Jaw men were three yards from the Regina line and given out. The work of the officials, Allen Campbell and Vaughn Black, both of Moose Jaw, was the best ever seen here, not one kick being registered by either team during the progress of the game. R. H. CALGARY "A" CRICKETERS

Defeated Civics on Saturday by Comfortable Margin: Championship About Decided

The Calgary "A" snicked on to their record another victory on Saturday, the victims this time being the Civics, who were defeated in very decisive fashion, 229 for five wickets against 100 runs. There are now only about three more league games to be played, and the honors are now certain for the Calgary "B" team, who out of the seven games played have won six and only lost one. They meet the Civics next Saturday in their final game.

The two great factors in Saturday's game were the bowling of Gray and Nettleton and the batting of Bryant. Three bowlers were tried by Calgary, but Spick did not do any damage, it being left to the two players mentioned to bring down the Civics' wickets. Gray took four wickets for 14 runs and Nettleton five for 37, the total score for the Civics being 100. The highest straight \$73. scorers on the side were Burroughs 35, Lindop 27, and Goodbridge 24 not out. The first wicket fell at 11, but Lindop and Burroughs took the score along to 38 before the former was well caught by Spick off Nettleton. This was not too bad, but there were five wickets down for 48, no one being able to stop with Burroughs, who had scored 38 when he was caught by Nettleton off Vickery. Goodridge took his place and played safe cricket, but none of the remaining batsmen could stand up to the bowling, four of them making only

Bryant made a well-played 99, hard luck for a century, and throughout he never gave a chance. Twice he lifted the ball out of the grounds for six, one being a terrific hit to square leg which landed the ball well on to Ninth avenue. He had also a five, all run, for another hit in the same direction, five 4's, and eleven 3's. This is Captain Bryant's best innings of the season, and his scores of late would indicate that he is returning to form. Spick made 45 before being stumped by Goodridge, and Gray and Boston played out time, the score being 225 for five wickets. The scores were:

The New York Glants now need four games to assure them positively of the national league pennant and the only way in which they can win that assurance before the national commission meets will be the combination of victories over the Pittsburg team here tomorrow and Tuesday, together with the double defeat of the Chicago Cubs by Philadelphia at the same time.

With little probability of such a break, it may be that the national commission will further delay definite arrangements for the world's series until the national league race is formally won.
