BETWEEN \$12,000 AND \$15,000

Was Contributed by Those Who Kissed
the Relic of St. Anna.New York, May 24.—Four men were
busy counting the money contributed by
people who visited the Church of St. Jean
Baptiste while the relic of St. Anna was
on exhibition there. Almost all the donations
were in small coins. A barrel full of
pennies and 5-cent pieces has been
counted yet. Father Tetreau said that he
was surprised at the large amount con-
tributed. He told a reporter that the
donations would reach between \$12,000 and
\$15,000. This would enable him to complete
his parish school. The relic of St. Anna
that is to remain permanently at St. Jean
Baptiste will arrive here from Rome about
the middle of June.

After the Grip.

And after typhoid fever, diphtheria, pneumo-
nia, or other prostrating diseases, Hood's Par-
asol is just what is needed to restore the
strength and vigor so much desired, and to
expel all poison from the blood. It has had
wonderful success in many such cases.
Hood's Pills act especially upon the liver,
restoring it from torpidity to its natural duties,
cure constipation and assist digestion.Notice.—Our umbrella hospital is now
open for patients. Fractured limbs
promptly repaired. Lawn mowers sharpened
and repaired. The only general repairing
shop in town. Ives, 308 Dundas Street.Among the pains and aches cured with
marvelous rapidity with Dr. Thomas'
Electric Oil, is ear-ache. The young are
especially subject to it, and the desirability
of this Oil as a family remedy is en-
hanced by the fact that it is admirably
adapted not only to the above ailment, but
also to the lures, disorders of the bowels,
and affections of the throat, in which the
young are especially subject.New Goods.—We are now showing a lot

—Hon. D. Mills and E. K. Cameron, of
this city, attended the Chancery Sittings
at Chatham on Monday.—Mr. F. C. Stevens, of Stevens & Burns,
left for the old country this morning on a
pleasure trip. [Winnipeg Free Press.]—Mrs. and Miss London, of this city,
who have been visiting friends in Winnipeg,
have continued their journey westward.—Rt. Wor. Bro. Gavin Stewart, of
Woodstock, who is a 33rd degree Mason, has
been the guest of Engineer Findlay, of the
waterworks.—The friends of Mr. D. J. Mahoney,
conductor, C. P. R., are pleased to learn
that he has secured a steady run between
London and Windsor.—J. Rattray and W. Templeton, the
well-known Highlander dancers, and Alex.
Milne and George Angus, the pipers, took
part in a Scottish concert at Petrolia last
night.—Capt. Foster's boats plied between
the city and Springbank for the first time
this season Tuesday. Owing to the cold
weather the patronage was smaller than
usual.—The Port Stanley excursion season
opened Tuesday. About eight carloads
went from the city. Had the weather been
fine the crowd would doubtless have been
much larger.—Blake Mills, son of Hon. David Mills,
while playing for the Athletic Baseball
Club, of this city, in a match at Ingersoll
Tuesday, acquitted the carthage of his
knee. He is able to limp around.—The F. C. B. C. boys held the Toronto
Wanderers and Hamilton Ramblers good-
bye at the G. T. R. station last night. The
former had spent the day in St. Thomas,
and were returning home.—The Berlin papers refer in glowing
terms to the pleasing party which Miss
Ziegler, of this city, took in the
oratorio cantata, "Under the Palms,"
given at that town the other evening.—Mr. Durand, a well-known native of
London, Ont., who went to California in
1849, and has spent his time in both
countries since that year, was in the city
yesterday seeing old friends. [Winnipeg
Free Press.]—Nellie, the 7-year-old daughter of L.
D. Smith and wife, residing on Howard
street, died Monday after a long and seri-
ous illness of scarlet fever. The remains
were taken to London on Tuesday morning
for interment. [Port Huron Times.]—Mr. Oscar Genge, of Spokane Falls, ac-
companied by his wife, arrived in the city
last evening on a visit to his father, Mr.
Samuel Genge, Wellington street. Mr.
Genge was the Spokane delegate to the
railway telegraphers' convention held last
week at Chattanooga, Tenn.—The Seventh Battalion turned out 220
strong yesterday for their trip to Berlin.
They were royally treated by the citizens
there, and report a splendid time. The
band delighted the Berliners and visitors.
A concert was held in the rink in which
the Seventh and Twenty-ninth Battalion
Bands and the Waterloo Musical Society
took part.—The respective trains conveying the
Tenth Royals, of Toronto, from Windsor,
and the Seventh from Berlin reached the
G. T. R. station almost simultaneously
this morning shortly after 1 o'clock. The
Seventh and Twenty-ninth Battalion
Bands and the Waterloo Musical Society
were on hand to greet the boys.
The latter responded heartily.—A Niagara Falls, N. Y., correspondent
writes: Mr. C. R. Sayer, secretary of the
Y. M. C. A., London, Ont., and his wife
arrived here on Saturday night, and con-
tinued the meeting in the Y. M. C. A. His
friends were all glad to meet him again.
Mr. Caldwell is expected to go home to
London on Friday. He was singing
"Rolling in the Hills" from Haydn's
"Creation" in St. Catharines last Sunday.—The Manchester Unity Oddfellows and
Canadian Order Foresters, of this city,
participated in the societies' demonstration
at St. Thomas. The F. C. B. Club were
there but did not race. Manville, of the
local Y. M. C. A. Bicycle Club, was in
several events and rode well. Conclave K.
S. F. No. 2, of this city, entered the drill
competition under the disadvantage of a
strange leader, Capt. Brown having been
injured here.—Helena Boomer, widow of the late Jos.
P. Boomer, for many years harbor master
at Port Dalhousie, died at St. Catharines
on Saturday after a long illness. Deceased
was greatly beloved and respected by an
extremely large circle of friends, who will
learn with regret of her death. She
leaves three brothers to mourn her death,
viz.: Messrs. S. D. Woodruff, St.
Catharines; Dr. Woodruff, of this city, and
Henry Woodruff, of St. David's. The body
was taken to St. Thomas' Church on Tues-
day, where service was held. The funeral
was very largely attended.

Distinguished Masses Here.

It is a long time since there has been
such a revival of Scottish Rite Masonry as
that which took place Monday evening in
the Masonic Temple here. The local
brethren were favored on that occasion
with most distinguished Masons in the
persons of Most Wor. and Ill. Bro. Hugh
Murray, 33°; R. Wor. and Ill. Bro. Gavin
Stewart, 33°; R. Wor. and Ill. Bro. Bal-
lard, 32°; and Bro. Robertson, 18°. All
were from Hamilton except Bro. Stewart,
who recently moved from the Ambitious
City to Woodstock. Degrees were con-
ferred on a dozen candidates, from the 4th
to the 18th degrees. A social reunion was
afterwards held. The visiting brethren
left for home last night.

At the Grand.

Says the Burlington Hawk-Eye of the
melodrama to be produced at the Grand
to-night, to-morrow afternoon and even-
ing: "It is seldom that the setting of a
stage is so appropriate as was that at the
Opera House last night. The snow and
ice were so real as to send a cold wave
through the packed auditorium. The
play, 'Uncle's Darling,' a tale of Alaska,
was presented in a very satisfactory
manner. In the fourth act the ice-boundship, the snow and ice, the Esquimaux
dogs, the bear and reindeer, formed one of
the most beautiful pictures seen on the
Opera House stage for a long time. The
play is a sensational drama, a tale
of love, devotion and hardships in the far
north, with the usual happy termination of
a villain foiled and a hero rewarded. The
piece was written especially for Hettie
Bernard Chase, and is particularly adapted
to her style, giving her ample opportunity
to display her many graces of person and
manner. Her acting is natural and full of
life, and it is a pleasure just to see her
handsome, smiling face. The different
members of the company are well adapted
to their parts and present the play in a
most satisfactory manner."

Brophy-Miller.

The residence of Mr. R. D. Miller,
Dufferin Avenue, was yesterday the scene
of a happy gathering of relatives and
friends to witness the marriage of his
eldest son, Mr. W. A. Brophy, to Miss
Minnie Miller, of Toronto. Miss May Miller,
cousin of the bride, acted as bridesmaid,
while the groom was supported by Mr.
Rowland J. Miller, brother of the bride.
Rev. R. Aylward tied the nuptial knot.
After the party had partaken of breakfast,
the happy couple took their departure for
the east amid the good wishes of all their
friends. The presents were exceedingly
choice and unique, testifying to the high
esteem in which the young couple are held
by their numerous friends.

The Big Convention.

An event of paramount importance
to Christian Endeavorers in the Province
and of special interest to the local societies
is the fourth annual provincial convention,
which will be held in October next in Lon-
don. Already the local union in the city
has appointed a convention committee
with full power to make all arrangements
for the entertainment of the 600 or 800
delegates that are expected. Rev. M. P.
Talling, E. A. pastor of St. James' Presby-
terian Church, has been elected chairman
of the committee, and by the energetic and
whole-souled manner in which he is en-
gaged in the work is proving himself to be
the right man for the position. A. J.
Clark, president of the London Local
C. E. Union, is vice-chairman, and
W. J. Doherty, secretary. Through
the kindness of the managers, St. Andrew's
Presbyterian Church has already been se-
cured, in which to hold the sessions of
the convention, and Mayor Spencer re-
ports for the railway companies that a rate
of a single fare has been promised by the
railway companies for all delegates at-
tending the convention, provided 500 or
more avail themselves of this opportunity.
This is a lower rate than has ever been had
before, and it is likely for this reason and
from the fact that London is known far
and wide for the generous hospitality of
her citizens that the '32 convention will be
by far the largest that has yet been held in
Ontario. Sub-committees have been ap-
pointed as follows: On building, Rev. M. P.
Talling, A. J. Clark and R. N. Brebner;
finance, Messrs. W. J. Doherty, A. J.
Clark and A. L. Crossin; music, Messrs. D.
McGrimmon, W. J. Lind and R. Kirk-
patrick; Messrs. E. Cunningham, B.
Brown and Rev. G. E. Sayer; road ar-
rangements, Mayor Wm. M. Spencer and
Y. M. C. A. Secretary Chas. R. Sayer.

THE SEVENTH ABROAD.

A Pleasant Holiday Spent
Among Berliners.The First Trip From Home Since Re-
organization—They Do Themselves
Credit and Spend a Most En-
joyable Time—The Day's
Proceedings.Shortly after 6 o'clock yesterday morn-
ing the drill shed was alive with mem-
bers of the Seventh Battalion ready for their
trip to Berlin. At 6:30 the "Assembly" was
sounded and in a few minutes everything
was in readiness for the start. The men
never looked better than when they
marched down Richmond street to the G.
T. R. depot, where a special train was
waiting for them. They were headed by the
band, under the leadership of Bandmaster
Hiscott, and the Bugle Band. Lieut.
Col. Payne was in command, and the
other officers were Major Beattie,
Captains Hayes, Dillon, Dawson, Kings-
mill, Booker, Moore, and Lieutenants
Grabin, Magee, Mills, Howie and Fitz-
gerald. The total number on parade was
220.The train arrived in Berlin about 10:15,
where the Twenty-ninth Battalion Band,
the Waterloo Musical Society and a large
crowd of citizens and visitors had as-
sembled to welcome the battalion.
They were met by a line of men, which
served as an armory for the day. The men
were dismissed and orders given to "fall
in" for dinner at 11 o'clock, which was
served in the market house. They "fell
in" with a vim. The officers made the
Mayor Mayor Bizer, and Dr. Bowly
joined them. The procession of the
market square to the athletic ground
started about 2 o'clock. There the Seventh
formed a feu-de-joie and general salute,
formed column, quarter column, and on the
double and quick formed line, advanced in
review order, retired, fired, company in
volley from right to left then advanced
in echelon from the right, and formed
company square to receive cavalry.
Volleys were fired from company squares,
and the battalion then reformed and
marched off in column of route. The move-
ments were splendidly executed, and the
crowd applauded liberally.A football match between the Exeter, of
Galt, and the Berlin High School opened
a fine programme of amusement, and was
won by the former; score, 1 to 0. The 100
yard race for Fusiliers only was won by
Pte. Martin, of "B" Company; Pte. Martin,
of "A" Company, second. The tug-of-war,
open to the Fusiliers only, was easily
won by "B" Company against a picked
team from the battalion. A football
match between the Rangers, of Berlin,
and "Varsity," of Toronto, was hotly
contested and finally resulted in victory for
"Varsity" after a magnificent game. During
the afternoon the Seventh Band played a
number of selections to the great enjoyment
of their many auditors.A fitting conclusion to the day's events
was the grand promenade concert in the
skating rink in the evening, at which the
three bands took part. The Londoners
who contributed to the rest of the pro-
gramme were Misses Lillian Shand, Edith
Murray, Alice Galbraith, and Hughie Gal-
braith and Thomas May, who delighted
those present with their character dancing.
At 9:30 the battalion assembled at the
town hall for inspection, and marched
thence to the station. They arrived here
shortly after 1 a.m., and formed on the
station in the pouring rain. They were
dismissed by the colonel without delay,
and each made a dash for home,
with the memory of a pleasant day and
without an umbrella.The conduct of the men was exemplary.
Col. Payne expressed himself as highly
gratified with their deportment. MuchCarelessness! Bereavement! Death!
Men, women and children are dying through
carelessness and improper treatment. Fam-
ilies mourn the loss of loved ones who have
been consigned to the grave through want
of thought and improper treatment. Kidney and
liver troubles, impure blood, sluggish cir-
culation, dyspepsia, nervousness, heart troubles
and rheumatism are taking off our people at
an alarming rate. Little wonder that honest
physicians are often disgusted with popular
ignorance in neglecting the time-honored
practice of taking some good spring medicine
to help the system to recuperate. Reader, are
you not feeling "new life"? If so, after you
are cautioned it becomes a crime. You may
not feel it now, but it is shortening your life.
If you honestly desire "new life," freedom
from your trouble, medical experts and testi-
mony clearly point to that honest remedy
which, although never advertised, yet the
sales last year in this vicinity amounted to
thousands of dollars. This truly most won-
derful remedy is WILLIAM'S ROYAL CROWN
REMEDY. It is not alone for the Royal
Family, but the people's never failing life-
renewer. Thousands of our own people, once
slaves to suffering and disease, stand ready to
testify to its merits. Try ROYAL CROWN
REMEDY.

SCINTILLATIONS.

—The worst "trust" that hurts some
farmers is the "trust-to-luck." Organized
farmers are looking after all the trusts.
"No trust" should be the rule of individuals
and the law of the nation.—It would be well if boys of every class
were taught a trade, for a trade thor-
oughly mastered means riches in the arms.
There are some foolish people who think
that it is more "respectable" to be a clerk
and wear a blue coat than to practice a
trade. A clerk's life, however, is not nearly
as healthy as that of a mechanic or a
farmer, nor is the work of copying letters
to be compared for a moment with interest-
ing work of a productive trade.—Grand Secretary L. A. Welch and
County President B. J. Donaldson, of Mid-
dlessex, addressed a large and enthusiastic
meeting at Loughlin's Corners, Metcalfe,
on the evening of May 17, in the interest
of the Patrons. After the disposal of a
well-selected programme, which bore the
smiles of the comedian and the merry airs
of rare musical talent, the gathering dis-
persed, bearing unmistakable evidence of
joy that the farmers and laborers are
abandoning the old camps of partisanship and
are mustering their forces in invincible
determination to defend the rights and in-
terests of the toiling masses.THERE IS JUST ONE THING THAT
the citizens of London and vicinity
would do well to make a note of that, at 181
Dundas street, books and magazines of
kind and styles are bound neatly, cheaply
