joyed by many as the finest bit of the even-ing. At Christ Church cathedral also a re-cital on the organ was given, the performer being Mr. George Pauline, organist of the The naval authorities at Esquimalt received word yesterday from Admiral Stephen-son that all mail matter for the Royal Ar-

thur should be held for delivery, the Wild Swan having already started North, to be followed almost immediately by the flagship, both being due to arrive prior to May 24. This news may be taken as indicating clearly that no further trouble at Nicaragua is anticipated by the home government.

RE DUTY ON FRESH SALMON.

TO THE EDITOR :- Having heard that by a recent discussion of a United States court, foreign fresh fish, including salmon, are now foreign fresh fish, including salmon, are now being admitted into that country free of duty, we wrote Hon. J. C. Saunders, collec-tor of customs at Port Townsend, to inquire whether such was the case or not, and the Brooklyn; W. D. Evans and Miss Mary C. whether such was the case or not, and the following reply from that gentleman clearly shows such to be the case :

" OFFICE OF THE COLLECTOR, " Port Townsend, May 2, 1895. " Messrs. J. H. Todd & Son, Victoria:

"SIR :- Replying to your letter of recent date I have to advise you that under a decision of the board of general appraisers at New York, made on January 17, 1895, salmon are admitted as fresh water fish, under Paragraph 481, Tariff act of August 28, 1994 force data

28, 1894, free of duty. Respectfully vours, "J. C. SAUNDERS, " Collector." The immediate local effect of the above is

The immediate local effect of the above is that while the American canners at Point Roberts, Blaine and elsewhere on that side of the line can get salmon from British Colum-bia—including the Fraser river—free of daty, the British Columbia canners under the Canadian tariff must nay ball a conter and a contributed towards the forred and given employment on the public works of the city.

ducy, the British Columbia canners under the Canadian tariff must pay half a cent a pound duty, equal to four or five cents on each sockeys salmon, for any fish they get from Point Roberts or any other U. S waters. Such being the case, we hope the Canadian government will at once, either by order-in-council or otherwise, allow the importation of salmon and other fresh water fish duty free into Canada. fish duty free into Canada.

J. H. TODD & SON. May 6, 1895.

On the usual bills being read Ald. Humphrey objected to an item for two gallons of spirits for the Old Men's Home for medical purposes. The medical health officer, he held, should be told that no more liquor was to be sent to the home.

was granted. ALD. MOLELLAN said as far as he was concerned he had decided to withdraw his motion for street paving. The determina-tion of the council to have a concrete foundation would make the sum up to \$45,000, which he was sure in the present hard times the ratepayers would not pass.

The water committee recommended the

extension of 4 inch pipe from Fernwood to

Chambers street along North Pembroke and along Chambers to Whittaker ; Spring road from South road to North road ; Ridge road

from Eernwood along North road to Spring Ridge ; from Pleasant street to David street

and Henry street; from Bridge street along David to Pleasant; Ellis street to David on

Bridge ; from Rithet street along South Turner to Dallas road ; from Dallas road

to Carr street ; on Battery street from Parr

to Carr streets. This was adopted.

The street committee recommended that 75 cents per lineal foot be paid towards the cost of laying a cement sidewalk 10 feet wide where the work is done by the property owner in front of whose property the sidewalk is laid ; also that tenders be called for raising the sidewalk on the south side of Yates street from Government to Langley. This was recommended last year and adopted, but owing to the unfavorable deason was not carried out.

ALD. MACMILLAN said the responsibility of the blunder in the Yates street grade

being Mr. George Pauline, organist of the blunder in the Yates street grade should be put on the right shoulders.
THOMAS PURDY who is in charge of the Eastern tourist party that was expected to arrive here on May 4, has written that he' will not be here until Wednesday, the delay being due to a washout on the Desver and Rio Grande railway. Mr. Purdy anticipates a pleasant stay at Victoria. The personnel of his party is as follows: E. C. Bingham and Miss Helen J. Iunes, Canton, Pa; Mr. and Miss Helen J. Iunes, Canton, Pa; Mr. and Miss. I. W. Bushmore, Plainfield, N.J.; John S. Bowrers, Marthuburg; J. M. Pratt, Mass.; Mrs. M. J. O. Parker and Miss Nell, is R. Soundheim, New York; Mrs. Bichard

& N. Ballway, ALD PARTRIDGE In supporting his motion spoke of the benefit of railway communica-tion to the island, and thought every effort should be made to advance the extension of the line.

Evons, Phenixville, Pa.; Mr. and Mrs. W. P. Colburn, Peorla, Ill.; and Miss Alice M. Harper and Mrs. S. Martin, Philadelphia. the line. ALD. WILLIAMS, in supporting Ald. Par-tridge, wished it pressed upon the E. & N. railway that they should employ white labor exclusively in the work as more con-ducive to the colonization of the land along the line. He hoped the subsidy would be granted at once so that construction might To THE EDITOR :- The following motion go forward this season. He trusted that in the near future the line would extend to the is before our city council : " that the water committee be instructed not to employ any person on the waterworks at Beaver lake unless his name is on the voters' list of the end of the island. ALD. MACHILLAN did not believe in favor-

unless his name is on the voters' list of the otty of Victoria for the year 1895, and that a similar clause be inserted in all contracts connected with said waterworks." Now, although I am not on the voters' list, I deem the shove motion perfectly right, just and proper; our own ditizens, who in times past by the Dunsmuir company, compared with their prices in other and rival cities on this coast, injuriously affects the trade of Victoria, that the following be inserted in the

resolution : "That the E. & N. Co. be asked to make Ayer's Pills are recommended by leading physicians and druggists, as the most prompt and efficient remedy for biliousness, nauses, costiveness, indigestion, sluggistness of the relieve colds, fever, neuralgia, and rheumat ism. The Cowichan iswn tennis club formally open the season at their grounds, Duncan, next Saturday sfterneon.

Be Found.

This was carried.

Ald. McLellan's motion that tenders for

building the coffer dam at Beaver lake by contract be called for was carried, Ald. Williams and Macmillan voting against it.

METHODIST CONFERENCE.

The Proceedings of the Ninth Annual

Session to Open This

The council then adjourned.

The stationing committee of the British Columbia Methodist conference meets this

conference, will preside. To-morrow morn-ing there will be an early prayer service in the lecture room of the Metropolitan church, commencing at 6.30. under the direction of Rev. E. Robson. At 9 30 the regular ses-sions of the conference will commence with the ministerial session, which will last most of the day. The evening meeting at 8 p.m. will be devoted to the subject of temperance, with addresses by Mr. Ralph Smith and Rev. A. E. Green. For the present session

able structure than the old one, gentlemen will be charged a fee of 25 cents extra and ladies admitted free. Tenders for the construction of the new home which the Victoria yacht club have decided upon building must be in the hands of the architect, Mr. T. Lawrie of 30 Michi-gan street, by 4 p.m. to morrow. The Vancouver and Burrard Inlet gun clubs shot a team match on Saturday, the former winning by 11 points. For the Gate-wood oup, White was 5 ahead of the next best man with a score of 14.

wood cup, White was 5 shead of the next best man with a score of 14. A San Francisco dispatch dated May 6 says: "Company B, First Regiment N. C. C., stationed at San Francisco, smashed the world's record for team shooting in a compe-tion at Shell Mound rifle range yesterday, scoring 1,952 points out of a possible 2,500, scoring 1,952 points out of a possible 2,500, distance 200 yards. Springfield rifles were used." The writer of the dispatch is probably not an authority, as the score is a very

dinary ene. Sir Bedivere, the world-renowned St Sir Sernard champion, the king of all bench shows in this or any other country, died at Little Rock, Ark, last week. Gastritis was the cause. Sir Bedivere was bred by T. H. and J. E. Green, of Wallasey, Cheshire, England, seven years ago. He was sired by Nero III out of Bena. He dewas three years oil, out of Bena. He de-feated all comers on the other side until he was three years oil, when he was purchased by E. B. Sears, of Melrose, for \$7,000. Sir Bedivere was never beaten in this country and was still in his prime. The question of what St. Bernard will take his place as a winner is an even one Alter is place to a the quantity of either, and make, 3 and 5 pound pails, but am winner is an open one. Alton, jr., an American bred, and La Princess, an imporb-ed dog, are both mentioned.

As the strength of a building depends upon the solidity of its foundation, so health de-pends upon the condition of the blood. To ex-pel impurities and couse the vital fluid to become vigorous and life giving. Ayer's Sar-saparilis is the most powerful and effective medicine in use.
