

Costumes, Millinery and Silk Waists For Spring Wear. A Style And a Price to Please All. Quality Combined With Modest Prices

Beautiful Silk Waists at \$5.75

We have handled hundreds of shipments that we considered to be values out of the ordinary, but this lot leads. In fact, it is head and shoulders above any value that we have ever offered.

There are so many different styles that it is out of the question to attempt a description of them all, but you will find all the newest and most dainty styles in the season's most popular shades to choose from.

Handsome effects in black with pipings of black and white material, V-shaped yoke of all-over lace and high collars, and some with narrow panels of black and white material finished with pipings and covered buttons down the front.

Beautiful side effects and side frills are features that are in strong evidence this season, and the set-in sleeves are very popular.

All sizes are here, and your choice from this variety at, per garment, \$5.75.
