## HOSTEL AT MONCTON

Modern Residence Completed For Girl Employees Of Atlantic Underwear Limited.

One of the most modern girls' hostels in Canada has recently been completed by Atlantic Underwear Limited, for the accommodation of their girl employees at Moncton, N. B. The hostel for employees is an innovation in the Maritime Provinces, and the Atlantic Underwear Company is to be congratulated upon its progressiveness in thus providing congenial and wholesome quarters for their girls. The building occupies a commanding view of the surrounding country, is of brick fire-proof construction, and the lighting and sanitation are modern to the last degree.

The residence was planned by J. W. Fraser, A. R., I.B.A., of Moncton. It contains a library, living and rest rooms, a first aid hospital ward, well-lighted and aired bed-rooms, ample bathrooms and a well equipped laundry for the use of the girls. The hostel is in charge of a matron, and a chef supervises the kitchen. Food and lodging are provided at cost, and will not be in excess of Five Dollars a week.

Recreation facilities have not been overlooked, for the Company realizes that good food and rooms are not sufficient for the welfare of the employees. The girls will be permitted to entertain their friends, and in addition to a good dance floor and musical instruments, games, etc. are provided for this purpose. For outdoor amusement tennis courts and croquet lawns will be completed by early summer.

The Atlantic Hotel is a commendable effort to elevate the living conditions of the girl workers and to provide them with all the comforts and facilities of a home. Its influence will undoubtedly be reflected not only among the employees themselves but throughout the community. It has always been the policy of the Company to attract the best class of help attainable to their employ, and the present large investment is a practical working out of the theory, that only when employees are well provided for physically and mentally, that the highest quality of workmanship can be obtained.

To the Editor Graphic,  
Campbellton, N. B.

Sir:—

I am writing to draw your attention to an outstanding illustration of competence, industry and taste and that is the local store of Robin Jones & Whitehead Limited. One is impressed on entering this commodious store by the display of goods tastefully arranged on shelves and in the show cases. Nothing appears to be out of place, and nothing lacking from what is required in a fully stocked store. Cleanliness and tidiness are evident everywhere about the store, the manager and staff are to be congratulated on maintaining such a high degree of excellence in a Country Store.
