A Victim of the Whirlpool. ROBERT FLACE'S MAD ACT COST HIM

Niagara Falls, Ont., July 4.-True his announcement, Robert William Flack, of Syracuse, N. Y.; with his life-saving boat, the "Phantom" attempted to shoot the Whirlpool, rapids quat him his life. At four minutes to more we have of it the better. passed under the Cantilever Bridge the profit.

eraft was in the centre of the river in Use no green manure in the garden. it like an arrow from a bow, Flack doing his utmost to steer it towards the Canadian side and when it reached the

canadian side and when it reached the first rapids one struck it broadside and turned it in a complete somerantly at the dairy is no longer in doubt. It is first rapids one struck it broadside and the first rapids one struck it is conclude somerantly at the dairy is no longer in doubt. It is first rapids one struck it is no complete somerantly at the dairy man who turned it is no complete somerantly and the dairy man who there was been working the paddles and the spirit of progress in his line of bust on the dairy man who there is no complete somerantly to keep abreast of the spirit of progress in his line of bust on the dairy man who the dairy man who there was struck broadside by an east of the spirit of progress in his line of bust of the dairy man who the dairy man who there was struck broadside by an east of the dairy is no longer in doubt. It is the dairy man who there was struck and the dairy man who there was struck broadside by an east of the spirit of progress in his line of bust of the man and the spirit of progress in his line of bust of the man and the spirit of progress in his line of bust of the man and the spirit of progress in his line of bust of the man and the spirit of progress in his line of bust of the man and the spirit of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of progress in his line of bust of progress in his line of bust of the spirit of progress in his line of bust of the spirit of progress in his line of bust of line of the spirit of progress in his line of bust of body keeping it in that position, farms where large stocks of cattle were drowned him. The excitement was kept within the memory of the writer, intense, people running towards the now there are only one or two cows and

whirlpool, there being large numbers of excursionists present. The 'Phantom' made five trips around the pool upside down before anyone could reach her. It took about one hour for her to make these circles. Alick Percy, the young American, who successfully navigated the regide last suggests the region of the re make these circles. Alick Percy, the young American, who successfully nearly igated the rapide last summer by means of his air-tight beat and was to race Flack through the rapide. provided he was successful to-day, was present as a spectator at the American side of the whirlpool and knowing there would be no opportunity to secure Flack and his boat from the pool, before passing out of the whirlpool and down the lower rapids, he spegged a hack, drove over allowing the spended and down to the Canadian side of the whirlpool. When Flack and his boat two many adian side of the whirlpool. When flack and his boat two many and the flack and his boat two many and the flack and his boat two many and the pool he jumped into the river and swam out and towed the boat to the shore. When the Thankow has a meaning, the Phantom' was turned over there was Flack deed and the pin in the bushles of the balt volt United State in the subscriber has been the of the lower of the which is at present irreduction, and the boat to the shore. When the Thankow Model, and sleaner, with less rational mork and the work of a being who is wholly good. He is bound to the boat to the shore. When the marks of bening the provided the work of a being who is wholly good. He is bound to the pool he jumped into the river and swam out and towed the boat to the shore. When the Phantom' was turned over there was Flack deed and the pin in the bushles of the balt voltable river.

the 'Phantom' was turned over there was Flack dead and the pin in the buckle of the belt out. Undoubtedly Flack, seeing he was unable to right the boat, attempted to extricate himself from the fastenings and failed. His body was brought up to the top of the river bank and up to the bridge where the coroner, Mr. Lewis, viewed it and allowed his friends to take it across to allowed his friends to take it across to the American side of the river. There was no mark of any description on the body. His sister and brother-in-law, is not staggered by much which seems, Mr. and Mrs. Stephenson, and his sixteen-year-old son, W. F. Flack, were Darwin's mature judgment that on the present and witnessed the whole trip.
His son is completely prostrated with grief at the tragic end of his father.

Flack has a wife and five young child-that seems to contradict it, and look forward to the time when our children,

were taken to-night on the 7.10 p. m. or our children's children, will see train after being placed in in a casket clearly what to us is dim or dark. by Undertaker Cornell and taken charge Popular Science Monthly for June.

Almont Stallion

Aren't most all patent medicines

half poison, balf profit?

By no means. They may be half a noble ambition, old man, and worthy profit if properly managed, but I think the respect.

Yes, indeed, and I propose -. Oh,

one merchant builds up starger basiness, while another has a hard pull to
scrape through and eventually ends in
failure.'

The standard is a military custom?

Col. Blood—It is a military custom my dear madame, to salute a superior officer. I salute the butter: it outranks me.

Fair Evidence for Everybody.

No one can doubt the great merit of Polson's Nerviline, for it has been placed in the market in 10 cent bottles, just to give you the opportunity of testing its wonderful power over all kinds of pain. This is the best avidence of its efficiency, for every person can try for hemselves. Polson's Nerviline is a positive (it cannot fail) cure for cramps, headache, colds, neuralgia, and the host of pains that flesh is heir to. Good to take, good to rub on. Go to any drug store and buy a 10 cent sample bottle.

Large bottles 25 cents.

—An unsophisticated pair from the country one day came into town to make some purchases. A water cart passed them on purchases. A water cart passed them o An American view.
