

TO THE  
YEOMANRY, COUNTRY GENTLEMEN, AND CLERGY  
OF  
GREAT BRITAIN,

This little work, compiled and written by one who has spent many years in this our nearest and most important Colony, which now presents to the agricultural classes unusual facilities for the acquisition of good land upon very easy terms of payment, and the almost certain prospect of success and early independence, is most respectfully dedicated.

*London, October 15, 1860.*
