## BELL PIANOS AND ORGANS

BUILT TO LAST A LIFETIME

SEND FOR DESCRIPTIVE CATALOGUE (NO. 41) TO

The BELL ORGAN AND PIANO Co., Limited, Guelph, Ontario.

LARGEST MAKERS IN CANADA.

## Why

In these times of keen com-  
petition, is there such a great  
demand for this All Steel  
Flexible Harrow?

## BECAUSE

The Flexi-  
bility of the  
Harrow enables it to adapt itself as readily  
to rough and uneven ground as to smooth,  
and the oscillating motion produced by its  
flexibility pulverizes the ground, and leaves it  
in a loose and more porous condition than  
any other Harrow, and it is made of the very  
best material money can buy for the purpose.  
The bars are made of Hard Spring Steel  
very stiff and strong, the hinges and teeth  
being of solid steel, all of which are of a higher  
grade than is possible to use in any other  
make of Harrows.

We can guarantee more than double the strength and wear in this Harrow  
than there is in any other make.

Particulars being a first class Harrow will do well to write us first or apply to the local agent.

OUR MOTTO: "Not how Cheap, but how Good."
