

Self-Opening Gate

(WIDDIFIELD'S PATENT)

EVERY FARMER SHOULD HAVE ONE

This gate is the very best self-opening gate made, and, at the same time, it is the cheapest. Any child can open it without moving from the buggy. It opens away from the horse whichever way you go, out or in, thus avoiding any chance of frightening the animal by having a gate swung right back in his face. The attachment can be put on any ordinary gate. Write for particulars.
