# Do You

Want to Buy some First-Class Colonies of Bees

Owing to our large increasing supply-business and the difficulty of securing trained labor for our bee-farms, we will sell for the next month colonies (up to 9 frames) at unprecedentedly low prices. We offer this opportunity of deriving some benefit from them. Prospects here are in favor of a first class low from fall flowers. The bees will be shipped in the Jones' single-walled hive.

Prices will be:

Colonies, including nine and 5 or 6 frames of comb (balance of 12 empty) with good queen	.....\$5 50
Over four colonies	..... 5 25
Ten and over	..... 5 00
Colonies including hive and 7 or 8 frames of comb (balance of 12 empty) with good queen	..... 6 50
Over four	..... 6 25
Ten and over	..... 6 00

The combs are nice and straight and each one measures about one square foot. The queens are, in most instances suitable to breed from—all will produce good honey gathering progeny. Nearly all of them are last year's tested queens.

**TERMS**—Cash with order—Delivered F. O. B. cars to go by express—and safely packed.
