

LARGE SALE OF PRIZE

Short-Horn Cattle!

WE will sell, without reserve, at Public Auction, on Wednesday, August 9th, 1871, at our residence, Grove Park Farm, Petan, Sangamon Co., Illinois, forty head of thorough bred Short Horn Cattle, consisting of Cows, Heifers and Bulls, including the renowned Bull Tycoon 7339, and all our prize show animals. This will be a rare opportunity for those wishing to purchase show and prize cattle, and all are true and sure breeders. This herd of Durhams is equal to any in the world, and is the result of judicious breeding and choice selections from other herds.

Our residence is four miles north and west of Berlin, on the Toledo, Wabash and Western Railway. Conveyances will be furnished at the Depot to and from the Farm on the day of sale. Catalogues furnished on application.

TERMS.

A credit of three (3) months will be given, with approved security, if not paid at maturity, to bear ten per cent. interest from date. A discount at the rate of ten per cent. per annum for the three months, will be made to those wishing to pay cash in hand.

Steel Tooth Sulky Horse Rake

1st Prize, Provincial Fair, London, 1869!

1st Prize, Provincial Fair, Toronto, 1870!!

Will do more work, easier, cleaner, and better than any other rake. It does not gather dust in the hay. Will rake over rougher ground, is light and strong, well-made and nicely finished, the frame, &c. being made of the best hickory. The teeth are fine spring steel, independent of each other, and will yield to obstructions without bending or breaking. Furnished with or without our Plaster Sower and Broadcast Seeder, Grass Seed Sower, and Hay Tedder—each machine being complete in itself, yet combined when desired. Farmers joining together and ordering four Rakes will be furnished at a great reduction in price. For references, &c., send for our Descriptive Catalogue, containing nearly 100 illustrations of implements, of which we have by far the largest variety in the Dominion.

DUTCH BULBS.

A. N. ROOZEN, Florist, has pleasure in intimating that his Catalogue for 1871 is now ready, and will be forwarded to all applicants, free. Ant. Roozen's 54 collections for out door culture contains 24 Hyacinths, 75 double and single Tulips, 12 Polyanthus, and 200 Crocus, larger collection in proportion. All bulbs such as Lilacs, Gladioli, Anemones, Liliaculites, Crocus, C. Imperiale, &c. at the lowest prices. Orders should be sent by 15th August. ANT. ROOZEN, 48 D., London, Ont. v2-5-56.

BREAKFAST.

EPPS'S COCOA.

GRATEFUL AND COMFORTING.

THE very agreeable character of this preparation has rendered it a general favourite. The *Civil Service Gazette* remarks: "By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills." Made simply with boiling water or milk. Sold only in tin-lined packets, labelled—
