Falls View.

Falls View station on the Michigan Central, "The Niagara Falls Route," is located on the Canadian bank of the river, about 100 feet above and overlooking the Horseshoe Falls. The Upper Rapids, Goat Island, the Three Sister Islands, the American Falls and the Gorge, below, are seen to the best advantage from this point, at which all day trains stop from five to ten minutes, affording passengers a most comprehensive and satisfactory view of the Great Cataract and surroundings. Falls View is in the immediate vicinity of the Hospice of the Carmelite Fathers and Loretto Convent, and this station is used by visitors to these institutions.
