DOCTORS GAVE HER UP.

REMARKABLE EXPERIENCE OF MRS. SALOIS, OF ST. PIER

LaGrippe, Followed by Inflammation of the Lungs, Left Her on the Verge of the Grave—Her Whole Body Racked with Pain—Her Husband Brought Her Home to Die, But She is Again in Good Health.

In the pretty little town of St. Pie, Bagot county, is one of the happiest homes in the whole Province of Quebec, and the cause of much of this happiness is the inestimable boon of health conferred through the use of Dr. Williams' Pink Pills. Mrs. Eva Salois is the person thus restored, and she tells her story as follows:—Like a great many other Canadians, my husband and myself left Canada for the States, in hope that we might better our condition, and located in Lowell, Mass. About a year ago I gave birth to a bright little boy, but while yet on my sick bed I was attacked with la grippe, which developed into inflammation of the lungs. I had the very best of care, and the best of medical treatment, and although the inflammation left me I did not get better, but continually grew weaker and weaker. I

could not sleep at night, and I became so nervous that the least noise would make me tremble and cry. I could not eat, and was reduced almost to a skeleton. My whole body seemed racked with pain to such an extent that it is impossible for me to describe it. I got so low that the doctor who was attending me lost hope, but suggested calling in another doctor for consultation. I begged them to give me something to deaden the terrible pain I endured, but all things done for me seemed unavailing. After the consultation was ended my doctor said to me, you are a great sufferer, but it will not be for long. We have tried everything; we can do no more. I had therefore to prepare myself for death, and would have welcomed it as a relief to my suffering, were it not for the thought of leaving my husband and child. When my husband heard what the doctors said, he replied that we will at once go back to Canada, and weak and suffering as I was we returned to our old home. Friends here urged that Dr. Williams' Pink Pills be tried, and my husband procured them. After taking them for some weeks I rallied, and from that on I constantly improved in health. I am now entirely free from pain. I can eat well and sleep well, and am almost as strong as ever I was in life, and this renewed health and strength I owe to the marvellous powers of Dr. Williams' Pink Pills and in gratitude I urge all sick people to try them.

Dr. Williams' Pink Pills create new blood, build up the nerves, and thus drive disease from the system. In hundreds of cases they have cured after all other medicines had failed, thus establishing the claim that they are a marvel among the triumphs of modern medical science. The genuine Pink Pills are sold only in boxes, bearing the full trade mark, "Dr. Williams' Pink Pills for Pale People." Protect yourself from imposition by refusing any pill that does not bear the registered trade mark around the box.
