

MONTREAL MINING EXCHANGE.

**A BETTER DEMAND — PRICES
SCRAPING BOTTOM—GOLDEN
STAR HIGHER.**

There is little to be said of the local market. The board adjourned at a quarter to twelve to enable the members to catch the twelve ton train for Dorval. The demand for stocks was improved and when wanted, shares seemed in poor supply. There is no great change in prices, but stocks which have for some time been pressed for sale could not be purchased at even advances over late quotations.

Golden Star opened at 44½ where 2000 shares changed hands, it was afterwards sold down to 42. It closed firm and could have been sold at 43.

One sale of California was made at 11, but no more could be had at this price. Virtue was neglected though 54 was accepted for 500 shares. It closed nominal about same price would have been paid for more though 40 was the best nominal bid.

Virginia was wanted at around 21 to 22 but none was for sale. This price is really only 17 as an assessment of \$5 per share has lately been paid. Cariboo Hydraulic was steady with 145 bid. Big Three was better. It sold at 15½. Knob Hill was offered and taken at 92½. A few more shares are for sale at same price. Of the good dividend payers the only stock at close range was Republic. It closed at 119 to 11½.
