HEAD OFFICE:

30 St. John Street, Montreal.

This Company will sell its instruments at prices ranging from \$10 to \$25 per set. These instruments are under the protection of the Company's patents, and purchasers are therefore entirely free from risk of litigation.

This Company will arrange to connect places not having telegraphic facilities with the nearest telegraph office, or it will build private lines for firms or individuals, connecting their place of business or residences. It is also prepared to manufacture all kinds of electrical apparatus.

Full particulars can be obtained at the Company's offices as above.

—THE—
Æolian Ventilator,

(PATENTED MAY 26th, 1894.)

WE guarantee our Ventilator to give perfect satisfaction & heavy use. Manufactured and especially suitable for

Public Buildings,
 Hotels,
 Churches,
 School Houses

Banks,
 Factories,
 Offices,
 Private Residences,
 Etc., Etc.

Cut showing the inside of Ventilator.

THIS Ventilator has proved itself to be superior to any other that has been placed before the public. It has proved by the tests which have been made its adaptability for ventilating large buildings, churches, vaults of churches, ball chambers, schools, etc., etc.

It is fitted with a screw on the inside, by means of which a constant current of air is established. The chief feature of this ventilator is that its motive power is derived not only from the slightest current of air, but the difference of temperature within and outside the building.

Every ventilator is guaranteed to give entire satisfaction.

Testimonials obtained on application.

This ventilator is very ornamental in appearance and substantial in make.

Estimates for copper ventilators given on application.

Then bore cut shows a part of the interior of the Ventilator.
