## NOON MEETING.

We are pleased to report a decided improvement in the attendance at this meeting. There has been an average of 25 during the past week. The room will accommodate a much larger number, so our friends need not hesitate to come.

## BULLETIN FUND.

Workers.....	80c.
J. L.....	50c.

## MEMBERS' SOCIAL.

Next Thursday evening will be held our usual Monthly Social. A new feature of this meeting will be the carrying out of the late Secretary's suggestion, that each Quarter the Board Meeting should be held on the same afternoon, and the Directors remain to tea with the Workers. It is felt that the bond of union between the Officers, Directors and the Workers will be strengthened by such gatherings.
