GOOD PAY FOR THE CONGREGATION.

CLUB RATES.

THE BRITISH AMERICAN PRESBYTERIAN has not yet reached a trying point, although it has been received with a good deal of favour, and if we may judge from frequent expressions of approval, has given very general satisfaction. There is no good reason why we should not commence the third volume—1st February next—with at least 3,000 New Subscribers, an average of ten new names from every Congregation of the Church will more than accomplish the object we have in view, and will enable us to continue our work with increased vigor, freed from financial responsibilities which are at present onerous and pressing. In order to this end let no one be lost in commencing a special canvass in every locality. There is a wide field in which to labour. In many congregations, we have yet only one or two subscribers, and where there should be one hundred we have only twenty or thirty names. While anxious to make large additions of new names to our list, we don't want to strike off a single old subscriber. Every one who has been getting the paper during the current year, is cordially invited to renew. The enrolling of new names will not prevent us warmly welcoming subscriptions from those to whom we have made frequent visits in the past, and with whom we wish pleasant intercourse in the future. We say then, Renew promptly.

Desirous to aid our friends in extending the circulation of the BRITISH AMERICAN PRESBYTERIAN, as a means of increasing its usefulness, we offer the following inducements in the way of PREMIUMS and Club Rates, which we trust may have the effect of stimulating the efforts of every one who would like to see the paper widely circulated throughout the Church:
