

CANCHALAGUA;

FOR THE COMPLETE CURE OF
Coughs, Colds, Influenza,
Asthma, Bronchitis, spitting of
Blood, and all other Lung
Complaints tending to
CONSUMPTION.

WE regret that we have not room to publish in full the entire history of the case of Mrs. Eggert, as it shows conclusively the controlling power of this Medicine in relieving and CURING apparently the most hopeless cases. Want of space obliges us to abridge her statements.

READ AND BE CONVINCED.

Mrs. Eggert states that for the last six years she has been consumptive, but during the past year the disease had worn her down extremely low; all remedies having failed to stop its progress. The Cough was most distressing, with a continual Pain in the breast, Cold, clammy Night Sweats and Hectic Fever alternated with Cold Chills every day. She became weak and debilitated, and reduced so low that she weighed only ninety pounds. All her Physicians had despaired of her recovery, as their remedies had failed to do any good. One of them called in a skillful consulting Physician to examine her Lungs, and he pronounced that one of her Lungs was entirely gone; that the other was wasting away, and there was no hope of her recovery. About the first of last August, the Tubercles in her Lungs ulcerated both internally and externally. The quantity of matter thrown up almost suffocated her. The Blood now settled under her nails, so that some of them afterwards festered and came off. Many of her friends came to take their last leave.

After this crisis (20th Aug.) she commenced using Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua, with only a faint hope, as her Physician said it contained no virtues. But what a happy change! It STOPPED the distressing Cough; the Pain in the breast; the cold Night Sweats; the Hectic Fever, and Cold Chills, in a very short time. It also enabled her to raise the large quantity of Matter and Phlegm which oppressed her Lungs. From that moment she has continued to get better and better; until such is the great change, even her friends and Physicians now pass her in the street without recognizing her. She also says, that she has never felt so well as she now does since she was fourteen years of age; that the Ulcers in her Lungs have entirely healed, and are restored apparently as well as ever. She has also gained in flesh for the last three months, so that instead of 90, she now weighs 141 lbs., and invites all those who doubt the virtues of Dr. Rogers' Liverwort, Tar and Canchalagua, to call and see her, on Elm, three doors above Cooper St., Cincinnati, Ohio.

We, the undersigned, state that we are acquainted with and visited Mrs. Eggert during her sickness, and believe the above statements to be true in every particular.

McAlister's All-Healing Ointment.

THE action which this Ointment has upon the Human cuticle, demonstrates its grand efficacy and healing power. It is the first and only discovery of an external preparation that has power to restore the "Invisible Respiration." The skin being the medium through which the blood drives off its impurities, is often locked up by cold, whence occur Rheumatism, Croup, Coughs, Colds, Head-ache, Fevers, and a thousand other complaints. Unstop the pores, and permit the humors to pass out and all these diseases vanish.

The superiority of the All-Healing Ointment over other remedies, lies in one thing—the restoration of the Invisible Respiration. This will be seen by contemplating the following facts:—

1st. That five-eighths of all we receive into the stomach, pass off through the pores of the skin, in Invisible Perspiration.

2d. That the skin evacuates more matter than the lungs, Kidneys and Bowels put together.

3d. That the Skin discharges more matter in twenty-four hours, than the Bowels do in fourteen days! and that, by severe exercise, a man will lose three, four, and even five pounds in one hour.

4th. That the Creator pierced the human cuticle with pores or small openings to the almost incredible number of 600 millions, making this the grand outlet of all the redundant matter of the body.

5th. That through these pores are constantly exuding the old, altered, and worn-out particles of the blood, the humors of the body and the waste of the system.

6th. That to stop up these pores, twenty-four hours, cause instant death.

7th. That sudden changes of weather, and exposure, closes these pores in part, and hence the long catalogue of diseases over the land.

In Sick and Nervous Head-ache, this Ointment is a Sovereign remedy.

It has cured cases of 5, 7 and 10 years' standing, some of 15 and 20 years, and one case of

FORTY YEARS'

standing. It is beyond all peradventure, the best remedy for Head-ache in the world.

Ear-ache, Deafness and Dizziness are cured with equal success.

Take again the Quinsy Sore Throat. One night's application is frequently sufficient to cure this complaint. But in no case will it fail. We challenge the world on this point.

Rheumatism. In all cases of swelled limbs, contracted cords, pains and violent inflammation, there is no remedy so good, we don't care what it is or where it comes from. Here in this Ointment is to be found a certain remedy for Rheumatism. Let the sufferer look to it. Asthma, Oppression of breathing, &c. In no class of difficulties does the Ointment give greater satisfaction. The heavy load upon the heart, and difficult respiration it removes almost in a day. Wonderful, Wonderful, is the virtue, the untold power and goodness of the All-Healing Ointment.

In Piles, we have been repeatedly told that it was the only article ever made that would cure all cases of piles. And we are ready to believe it.

The Erysipelas and Salt Rheum are overcome without the least difficulty.

Liver Complaint we have cured of twenty years' standing, and we hesitate not to say that it is one of the best remedies known. Persons would be astonished to witness its effects.

Besides all the above diseases, it is a sovereign remedy for all eruptions of the skin, Sores, Pustules, Blotches, &c., rendering the face smooth and free from blemish. In all cases of inflammation, Swellings, Cuts, Bruises, and poisonous wounds, it is a noble remedy. And as for Burns there is not its equal in all the land. To allay pain, and remove the fire and inflammation there is no compound in existence of such value. Besides it heals the place without leaving the slightest mark behind. Equally valuable is it for Old Ulcer Sores, and especially Sore Eyes, Scald Head, and diseases of the Spine, and of the Nerves, also Swelled or Sore Breasts, and Female Complaints. It is also a sovereign remedy for Ague in the face, and Influenza. It is truly one of the safest and most valuable medicines the world ever saw. No man regrets purchasing this Ointment, because he feels he will be benefited and not deceived. Good always comes from its use. Let the people then seek this medicine and abide by it, for it never deceived any body yet, and we believe never will.

The following TESTIMONIAL was given by the celebrated Dr. BEACH, the author of the Great Medical Work, entitled "THE AMERICAN PRACTICE OF MEDICINE AND FAMILY PHYSICIAN;" the distinguishing merits of which have been appreciated and recognized by nine SOVEREIGNS OF EUROPE. (through the recommendations of their first PHYSICIANS and Surgeons) who have bestowed upon the Author nine GOLD MEDALS in honor of his great medical research, experience, and success in practice—and whose medical knowledge and writings are celebrated throughout the United States.

"Having been made acquainted with the ingredients which compose McALISTER'S ALL-HEALING OINTMENT, and having prescribed and tested it in several cases in my private practice, I have no hesitation in saying or certifying that it is a VEGETABLE REMEDY containing no mineral substance whatever; that its ingredients, combined as they are, and used as directed by the Proprietor, are not only harmless, but of great value, being a truly scientific Remedy of great power; and I cheerfully recommend it as a compound which has done much good, and which is adapted to the cure of a great variety of cases. Though I have never either recommended or engaged in the sale of secret medicines, regard for the truly honest, conscientious, and humane character of the Proprietor of this Ointment, and the value of his discovery, obliges me to say thus much, regarding it.

W. BEACH, M. D.
Professor of the Principles and Practice of Medicine in the Eclectic Medical College, Cincinnati and Rochester."

It would be quite superfluous for the undersigned to say anything respecting this Medicine, for its great value is well known to all classes and professions, (medical not excepted,) throughout Canada.
