There is scarcely any eruption but will yield to SULPHOLINE in a few days, and commence to fade away. Ordinary Pimples, Redness, Blotches, Scurf, Roughness vanish as if by magic; whilst old, enduring Skin Disorders, however deeply rooted, SULPHOLINE successfully attacks. It destroys the animalculæ which mostly causes these unsightly, irritable, painful affections, and produces a clear, smooth, supple, healthy skin.

## Points of Excellence

**A Few Reasons which are Rapidly  
Making a New Catarrh  
Cure Famous.**

Stuart's Catarrh Tablets, the new Catarrh cure, has the following advantages over other catarrh remedies:—

*First:*—These tablets contain no cocaine, morphine or any other injurious drug, and are as safe and beneficial for children as for adults; this is an important point when it is recalled that many catarrh remedies do contain these very objectionable ingredients.

*Next:*—Being in tablet form this remedy does not deteriorate with age, or on exposure to the air as liquid preparations invariably do.

*Next:*—The tablet form not only preserves the medicinal properties, but it is so far more convenient to carry and to use at any time that it is only a question of time when the tablet will entirely supersede liquid medicines, as it has already done in the medical department of the United States Army.

*Next:*—No secret is made of the composition of Stuart's Catarrh Tablets; they contain the active principle of Eucalyptus bark, red gum blood root and Hydrastin, all harmless antiseptics, which, however, are death to catarrhal germs wherever found, because they eliminate them from the blood.

*Next:*—You cannot cure catarrh by local applications to the nose and throat, because these are simply local symptoms, and such treatment can not possibly reach the real seat of catarrhal disease, which is the blood; for this reason, inhalers, douches, sprays and powders never really cure catarrh, but simply give temporary relief, which a dose of plain salt and water will do just as well.

Catarrh must be driven out of the system, out of the blood, by an internal remedy, because an internal remedy is the only kind which can be assimilated into the blood.

Stuart's Catarrh Tablets do this better than the old form of treatment, because they contain every safe specific known to modern science in the antiseptic treatment of the disease.

*Next:*—The use of inhalers and spraying apparatus, besides being ineffective and disappointing, is expensive, while a complete treatment of Stuart's Catarrh Tablets can be had at any drug store in the United States and Canada for 50 cts.
