#### WHOLESALE PROVISION MARKET.

WHOLESALE PROVISION MARKET.

A seasonable business is being transacted in most lines of provisions. Butter is still being held for full rates and the demand is absorbing the greater bulk of the offerings. The Athelston creamery has sold its July make at 25c, which is said to be the highest price paid yet. In New Yors the butter market shows a continuation of the strong tone, with some touch of buoyancy. Creamery of favorite marks sell to the fancy trade at 25c to 27c, and some of the choice dairy packed selections fresh from the churn command a good premium. Western of all kinds is offered sparingly and moderately, and only at extreme rates, with rumors current that considerable has been taken at higher costs than previously reported. The exports for the week were 23,347 packages, of which 22,373 went to the United Kingdom and 974 to Continent. State pails and tubs are at 26c to 23c for choice to lancy. #### HARD ON THE BOQUE AGENTS.

To the Editor of the TRUE WITNESS For some time past the reputation of the New York WEBER PIANO has suffered from the attempts of unscrupulous Agents, particularly in the Province of Quebec, to paim off on the public inferior Piance, under the name of Weber. These instruments are for the most part manufactured in Ontario, no less than two factories being located there; they are sold to dealers at from \$130 to \$150, and advertised by their agents here to retail at \$175 to \$200, affording at this price a large profit, but in country places, where deception is more easily practised, the price obtained is twice these figures. Instead of using their own name and selling to the trade, the object

of the manufacturers appears to be to adopt the name of Weber and employ Organ and Sew-Machine Agents travelling the country to act as Agents for their sale, many of which are sold to farmers and country merchants under the pretence of their being the genuine WEBER Plane. Most of the Planes thus sold come under the designation of Bogus, not being Rosewood, but stained to imitate Knowing the great expense and high reputation of the genuine New York WEBER, the wily Agent often obliterates from the key board the place of manufacture, and by re-presenting himself as WEBER'S Agent deceives the purchaser, and induces him to pay sometimes as high as \$400 for a Piano which did not cost more than \$130 to \$150. Some of these Agents circulate cards and bills re-presenting themselves as WEBER'S Agents, DRESSED HOGS BEEF, POULTRY, GANE, &c.—
Dressed hogs, \$7.50 to \$5 per 100 lbs; Turkeys,
90c to \$1.25 each or 10c to 18c per 10; fows, \$6c
to 70c per pair; pigeons, 25c to 35c per pair;
spring chickens, 25c to 50c do.

From New Name and 10.15 for per pair;
is about as good as the New York of the Contario WEBER is about as good as the New York Piano, or that WEBER has an interest in the Kingston factory, and manufactures his Pianos there for the Canadian market, thereby saving large duties, &c, &c., and, by one or other of these taking arts, victimize the poor purchaser and induce him to pay three times the cost of the instrument. This trade, particularly in the Eastern Townships, has been found very profitable, and hence the Bogus Agents appear to be increasing. The following handbill has been sent us from Clarenceville:

"Grand Concert for the benefit of St. George's Church, Clarenceville, to be held in the Clarenceville Hall, on Friday evening, June 18, 1880. The following talent will be

present : Here follow the names of the performers, which we omit.

On the bottom of the bill it reads: "Mr. McIntosh, Agent for the New York Weber, will kindly farnish a piano for the

occasion. What Piano was furnished by Mr. McIntosh is not stated, but a N. Y. Weber is plainly inferred. This is enough to show the deli-berate fraud, for Mr. McIntosh is not an agent of the New York Weber, but is said to be one of those who do a thriving country trade in a very different Weber, by falsely representing himself to be so.

We don't object to the Kingston Pianos being sold at \$150 or \$400 dollars, as the parties may please, but we do decidedly object to the constant attempt, often successful, to pass them off as the greatest plane of the age, for which their objection of Weber's name gives them the tempting opportunity. We caution all parties against patronizing these frauds.

It they want a good-moderate-priced-Piano, of genuine Rosewood, guaranteed in all respects, they can have one from us at from \$225 to \$250, or if they want the real Weber, which is undoubtedly the finest Piano in the world, they can, at a small advance on the cost, buy it through us or our Agents. Meantime it is as well to know that the cheapest Piano on Weber's list costs just about the price of THREE of these Ontario imitations which has too long been used for purposes of fraud and deception.

# LOCK-SPRING MATTRESS

The attention of the public is respectfully called to the me - Spiral Lock-Spring Matters which for durability, cleanliness, elasticity and cheapness, surpasses anything of the kind now in the market. The Lock-Spring is warranted to be of the best of steel wire, and it requires only a twenty-five pound mattress to make the most comfortable bed in mse, Thomasmas are trying it and all pronounce it a great success. The spring is so constructed that a person weighing 200 pounds and a child weighing 50 pounds do not sufter any inconvenience by lying side by side. Unlike other mattresses, the LOCK-SPRING never runs into ridges, but preserves its uniformity, no matter how much or how little pressure it may be subjected to. It is noteless, and is the only spring in use that possesses that quality. Nothing so good for Hospitals, Hotels or Ships has ever been invented.

Springs given on trial to parties residing in the city, and momey refunded if the springs made to fit all sizes of beds on short notice, but if made for bedsteads not of the Ordinary size, the springs cannot be taken back.
