FINANCIAL AGENTS—Messrs. Scarth, Cochran & Co., Toronto.

It is proposed to form a Joint Stock Company under the name of The Dominion Paper Making and Staining Company, (Limited).

To acquire the premises, stock in trade, machinery, patterns, plant and good will of the manufacturing and wholesale business of M. Staunton & Co., known as the Dominion Paper Staining Factory, and to carry on throughout the various Provinces of Canada and elsewhere, the business of the manufacture, purchase and sale of all kinds of paper, paper hangings, wall decorations and kindred materials, and to acquire, purchase, and construct, lease, own, mortgage, and dispose of all lands, buildings, machinery, patent rights, trademarks, patterns, and such other property as may be or become necessary or desirable in connection with the carrying on of such business, and to act as agents for other companies and firms manufacturing or dealing in paper, paper hangings, wall decorations and kindred materials.

It is proposed at first to carry on the same class of business which has hitherto been carried on by Messrs. M. Staunton & Co., namely, the staining, purchase, and sale of wall paper and paper hangings; but it is expected that in the course of time, it will be found advantageous to engage in the business of paper making.

The business of M. Staunton & Co., has been carried on for over 27 years, having been established in 1855, and has steadily prospered from its commencement, notwithstanding the fact that up to the year 1878 there was only a very small and varying duty on wall paper. There is now a protective duty of 30 per cent. under which it is believed much greater progress will be made.

In consequence of the increasing demand for wall paper, and especially the finer grades, the profit on the manufacture of which is greater than that on the manufacture of cheaper goods and of the great advantages resulting from the employment of the larger capital of the Company, it may reasonably be expected that the Company will be able to do a much larger and more profitable business than has been done hitherto.

In Canada there is at present only one other firm or company engaged in the same business as that of M. Staunton & Co., namely, the manufacture of

paper-hangings, and this is a firm in the Province of Quebec, so that it may be safely assumed that a Company with ample capital, such as it is now proposed to form, and succeeding to such an old and well established business as that of M. Staunton & Co., can practically control the trade in the Dominion of Canada.

The real estate agreed to be purchased by the Company consists of land in the City of Toronto, having a frontage on Yonge Street of 160 feet and a like frontage on McMurrich Street, with a depth extending from street to street of 350 feet, upon which is erected the substantially built brick factory at present used by M. Staunton & Co., which factory is 40 feet wide by 300 long. The building was specially designed for the business now carried on in it, and was constructed under architectural supervision, so as to admit of being easily enlarged whenever acquired, and is heated with steam and furnished with gas and city water.

It may be added, that the real estate being very near the proposed station of the Ontario and Quebec Railway, is likely to increase greatly in value.

The machinery now used and included in the above purchase is of modern construction and suitable.

The valuation of the Real Estate made by Henry Langley and J. W. G. Whitney, and of the Machinery by William Hamilton, Manager St. Lawrence Foundry Company and James Findlay, Mechanist, can be seen at the Office of Messrs. Scarth, Cochran & Co.

Calls on Stock will be made as follows: 10 per cent. on application, 15 per cent. on allotment, and balance in five instalments of 15 per cent. each. The first instalment to be made in three months after date of allotment, and the remaining instalments at the call of the Directors, but with intervals between each call of not less than three months.

The Stock Book is open at the Office of Messrs. Scarth, Cochran & Co., the Company's Brokers, from whom Prospectuses and Forms of Application for Shares can be obtained. Where no allotment is made the deposit made on application for Shares will be repaid in full.
