FOR DRIVING

I have good horses, good carriages, and you can get them at reasonable hire.

You will enjoy a drive if you get one of my teams.

You can call me up by telephone. We'll send to your house; give you a driver if you want one.

It is an acknowledged fact that tailor-made clothing can be had at a lower price on P. E. Island than in almost any other place in the world.

And the best place on P. E. Island to have a suit of clothes, or a coat, or a pair of pants, made is at D. A. BRUCE'S.

When visiting the Island it will pay you to visit our store, see our goods and get our prices. Then leave your measure—spend your holidays as pleasantly as you possibly can—and when you are ready for home we will have your clothes for you.

Our store is on VICTORIA ROW, directly south from the Post Office.

GENTS' FURNISHINGS—What you want in this line you want nice. We can please you, and our prices will please you too.
