

Acquire a taste for Canada without having to leave Hong Kong.

Just to prove that Canadian cuisine doesn't start and end with salmon, from June 19 to July 1, the Jade Lotus of the Hongkong Hilton brings you a buffet that includes such favourites from the Great White North as Terrine of Georgian Bay Rabbit, Quebec Maple Mousse, and Atlantic Lobster with Brandy Cocktail Sauce.

And with sponsors like those listed below, living in Canada need no longer be a dream.

The real thing has been imported right here just for you to experience.

Open for lunch (12:00 noon - 2:30pm) and dinner (6:30pm - 9:30pm).

For reservations, please call 523-3111, extension 2009.
