CHEMICAL WEAPONS PRODUCTION FACILITIES

1. The provisions of this Article shall apply to any and all chemical weapons production facilities owned or possessed by a State Party, or that are located in any place under its jurisdiction or control.
2. Each State Party with any chemical weapons production facility shall cease immediately all activity at any chemical weapons production facility it owns or possesses or, that is located in any place under its jurisdiction or control, except that required for closure.
3. No State Party shall construct any new chemical weapons production facility or modify any existing facility for the purpose of chemical weapons production or for any other purpose prohibited under the Convention.
4. Each State Party, not later than 30 days after the Convention enters into force for it, shall submit a declaration in which it shall:
  - (a) Specify any chemical weapons production facilities it has owned or possessed, or that have been located in any place under its jurisdiction or control, at any time since 1 January 1946;
  - (b) Specify any chemical weapons production facilities that have been located on its territory in any place under the jurisdiction or control of other States, at any time since 1 January 1946;
  - (c) Specify any transfer or any receipt, directly or indirectly, of any equipment for the production of chemical weapons [and documentation relevant to the production of chemical weapons] since 1 January 1946;
  - (d) Specify actions to be taken for closure of any chemical weapons production facility it owns or possesses, or that are located in any place under its jurisdiction or control;
  - (e) Provide its general plan for destruction for any chemical weapons production facility it owns or possesses, or that are located in any place under its jurisdiction or control;
  - (f) Provide its general plan for any temporary conversion of any chemical weapons production facility into a chemical weapons destruction facility.
5. Each State Party shall, immediately after the declaration under paragraph 4 has been submitted, provide access to any chemical weapons production facility it owns or possesses, or that are located in any place under its jurisdiction or control, for the purpose of systematic international on-site verification of the declaration through on-site inspection.
