

It is much more difficult to relate imports of the other processed meat categories to U.S. production of these products. However, Chart 2, below, shows the imports of selected processed meat products as a total (excluding hams and shoulders) relative to total U.S. domestic production of these same products. Appendix 7 illustrates imports for each of the nine product groups.

CHART 2

**U.S. DOMESTIC PRODUCTION AND IMPORTS
OF SELECTED PORK AND PROCESSED MEATS**
