

Nominations by the Sending Side

For participants described in subsection 1 the nominations are to be submitted no later than January 20 of each year. For participants described in subsection 2 the nominations are to be submitted no later than February 20 of each year. All nominations must be accompanied by data sheets which will include the following information: name of candidate; place and date of birth; present address; education; place of work or study; proposed research topic and comprehensive research plan; list of publications; university or institute at which the participant is principally to reside; other institutions, universities or organizations he would like to visit; names of specialists in the receiving country he would like to meet; foreign language competence (written and spoken); marital status; the expected date of arrival in the receiving country. The information should also include whether the participant will be accompanied by dependents and if so their name, place and date of birth, as well as their expected date of arrival. Participants under subsection 2 should, as a rule, arrive as a single group at the agreed time.

Notification of Acceptance or of Rejection by the Receiving Side

For the categories of participants mentioned in these subsections the notification of acceptance or rejection by the host side will as a rule be given in writing within two months of the date specified for receipt of nominations from the sending side.
