4. Vessels of both Parties shall keep accurate log records while fishing pursuant to this Treaty.
5. In order that better information on the stocks of albacore tuna which migrate off the west coasts of the United States and Canada may be obtained, each vessel engaged in fishing pursuant to this Treaty shall provide to its government statistics and other scientific information on its operations in the fishing zone of the other Party. Each Party shall provide to the other Party such information and in particular the amount (weight) of albacore tuna caught by its vessels in waters under the fisheries jurisdiction of the other Party. Such information shall be provided on an annual basis and at least 30 days prior to the annual consultations referred to in paragraph 6 of this Annex. Other specific information to be provided, as well as the forms and procedures for providing such information, shall be agreed upon by the two Parties.
