

Resolved,—That an humble Address be presented to His Excellency praying that he will cause to be laid before this House copies of all agreements between the Government of Canada and the Government of the United States of America with respect to the location of military installations or military training installations at Naicam, Saskatchewan and/or Broadview, Saskatchewan.—(*Notice of Motion for the Production of Papers No. 6—Mr. Burton*).

At 3.58 p.m. the House resumed consideration in Committee of the Whole of a certain proposed resolution to amend the Farm Machinery Syndicates Credit Act and at 5.00 o'clock p.m. progress having been made and reported the Committee obtained leave to consider it again at the next sitting of the House.

(*Notices of Motions*)

Mr. Godin, seconded by Mr. Rodrigue, moved,—That, in the opinion of this House, the government should consider the possibility of passing a law under which every Canadian citizen, who is without work or other source of income, would receive a guaranteed minimum income as a way of recognizing, in a practical fashion, the dignity, the value and the economic rights of the human being, in the context of the economic life of the nation; that the amount required for the payment of the guaranteed minimum income be derived from the national product so as to increase neither the taxes on individuals and companies, nor the cost of living, nor the price of any product or service; that this measure could, with advantage, replace the contributions and payments of all systems of unemployment insurance, social welfare, family and personal allowances, Canada Pensions and Quebec Pensions, that the economic recognition of the guaranteed minimum income would be to the greatest advantage of all the citizens of Canada, and, at the same time, would be of great benefit to all the principal sectors of the national economy.—(*Notice of Motion No. 3*).

And debate arising thereon;

The hour for *Private Members' Business* expired.
