matter will come up for discussion. I want also to tell you that the General Annual Meeting of that League will take place on the 17th of March and unless something definite can be told those interested I greatly fear that the Government will come in for a great deal of criticism. You will notice that last night's Star had an editorial about the matter.

Will you please tell me what I can say to my people on Friday?

I wish that you would lunch with Mitchell and myself and possibly Beatty on Saturday at the Mount Royal Club shortly past one.

Yours faithfully,

PRINCIPAL

P.S. I learn from Mitchell that you have an engagement so I need not expect you for lunch.
