CINCINNATI. June 19.—New York won an exciting game from Cincinnati here today by a score of 8 to 7 and thereby made a clean sweep of the series of fcur games. New York managed to bunch hits with the opposing pitchers' wildness and erfors by Cincinnati in two innings and tallied four runs in each. Snodgrass' triple with three men on bases in the second inning was easily the batting feature of the contest. Liathewson appeared to be at his best up to the eighth inning when he weakened, but had enough left to stave off defeat. Score:

AMATEUR BASEBALL.

The Trusts and Guarantee Company, Limited, baseball team, representing the clearing house for the Standard Stock Exchange, and the members of the Standard Stock Exchange, and the members of the Standard Stock Exchange played a fast game of ball at the Exhibition Park for a "near championship," the Clearing House being returned the winners by a score of 12 to 9, when the game was called. The umpire was undecided as to whether the game should be called on account of darkness or the fact that the balls were all in the lafe.

The game was quite interesting, owing to the fact that such noted men as Harry Smith, Keith Balfour, Bill Chambers and Stuart Gooderham tried to do the "Jeffries at Reno" stunt and did fairly well. Harry Smith went on the mound for the first three innings, but soon tired, after which he retired in favor of Keith Balfour, who also tired quickly; however, he lasted for the balance of the game. The Clearing House played a nice game and deserved to win.

win.

The features of the game were the great one-hand stab by Pat Cashman on first base and the allround work of Stan Chambers on second. Batteries were: Clearing House—Anderson and Waggoner. Exchange—Smith, Balfour and Lamont.

The West Toronto Senior League will hold a meeting Friday, June 20, at 8,30 p.m., at 333 Royce avenue. There is an opening here for a good fast team.

FRENCHMEN COMING

Indians and Nationals Meet For

Saturday, They wiff extend themselves to the limit to break into the win column once more, and what would be best of all at the expense of their greatest rivals. Dare Devil Gauthier and Clements, the ex-holdouts, are back in the game and against the blue shirts they are credited with being half the team for speed and ginger. The Frenchmen have a couple of sore spots to remember their last visit here by; also one was the goal referee's decision and then the Indians' husky defence didn't handle them any too nicely. There should be nearly as many fans on hand when they line up as saw the Toronto-Tecumseh struggle. The plan will open at 10 o'clock this morning at the Bell Plano, 146 Yonge street.

The blue shirts, after their victory of last Saturday are not going to stop at such trifling things as the Irish-Canadians and when they come back Saturday they assert that they will have their scalps, even if they are the league leaders.

Con Jones, the Vancouver lacrosse magnate, is disgusted with the playing of his team and has released Archie Adamson and George Mathewson, two of his veteran players, and is also looking for a goalkeeper to replace Cory Hess. He is trying to secure the release of Davy Gibbons from the Torontos.

The Dominion Lacrosse Association will hold a meeting at the Prince George Hotel Saturday, June 21, at 10 o'clock in the morning.
