Fifteen Places Carried and Five Defeated It; Nineteen Bylaws Failed Under Three-Fifths Clause: Two Counties Will Be Entirely Dry and Seventeen Licenses Will Be Cut Off.

Results of the voting in local option contests yesterday show that two counties, Dufferin and Glengarry, will be completely "dry." In every municipality where votes were taken to repeal the local option bylaws now in force, the bylaws were sustained. The vote on license reduction in Ottawa carried on by a large majority and the number of bars will be cut to 21.

Returns were received in Toronto last night at the headquarters of the Dominion Alliance and the Personal Liberty League. Dominion Alliance offices in the Confederation Life Building were crowded by about 150 men

There was one case where the threefifths clause worked in favor of the

where the majority for repeal was 12,
which was insufficient under the threefifths clause to be effective.
