

occupy in this building will be a difficult matter within the limits of the space granted. The smaller block of space will be well filled with exhibits of manufactured agricultural products. Prominent among these will be the mammoth cheese, weighing over 22,000 lbs., which has been made under the direction of the Dominion Dairy Commissioner, Jas. W. Robertson. The Dominion Millers Association are preparing to show all the leading brands of Canadian flour. There will also be exhibits of biscuits, condensed milk, ales and beer, canned meats, flax and its products, starch, maple sugar and many other articles.

Among the leading exhibitors in this department are: Christie Brown & Co., Toronto, Ont.; H. Walker & Sons, Walkerville, Ont.; Carling Brewing and Malting Company, John Labatt, of London, Ont.; Thos. Holliday, Guelph, Ont.; British American Starch Company, Brantford, Ont.; J. & J. Livingston, Baden, Ont.; J. W. Windsor, Chas. Gurd & Co., G. H. Grimm Manufacturing Company, Montreal, Que.; Truro Condensed Milk and Canning Company, Truro, N. S.; John Lindburg, Halifax, N. S.; Edward Drury and Blackwood Bros., Winnipeg, Man.

#### AGRICULTURAL IMPLEMENTS.

Here Canada has been assigned 7,880 square feet net, which, after deducting necessary passage-ways will leave about 6,204 square feet of space for goods. The applications for space in this building amount to 8,718 feet, so that there is likely to be an excellent display in this department. One of the leading features will be the exhibit of the Massey-Harris Company, of Toronto, who represent a combination of five different firms, and will occupy nearly half of the Canadian space. Among other large exhibitors will be the Watson Manufacturing Company, of Ayr, Ont., John Abell, Toronto, Ont., George White & Sons, London, Ont., Coulthard Scott & Co., Oshawa, Ont., Cockshutt Plough Company, and the Verity Plough Company, Brantford, Ont., Tolton Bros., Guelph, Ont., Sawyer & Massey Company, Hamilton, Ont., Johnston Patent Plough Share Company, Toronto, Ont., J. Fleury & Sons, Aurora, Ont., and Halifax Shovel Company, of Halifax, N. S.

#### DAIRY BUILDING.

Three thousand feet of space was applied for in the Dairy Building for the Canadian exhibit of dairy products, but this building being small it was found necessary to provide for the mammoth cheese in the Agricultural Building and restrict the Canadian exhibit in the Dairy Building to 576 square feet, which is all that
