York County and Suburbs

WEST TORONTO.

Hot Weather Does Not Do Away With Big Functions in West End.

WEST TORONTO, May 23.—(Special.)—Keen interest is being shown by the students at Humber College Institute in their approach to the field day on Friday next, and the seven events will have no lack of competitors. The principal, Mr. F. C. Colbeck, B.A., has promised to award a silver medal to the best all-round man of the day and each of the winners in the different events will receive a medal with a suitable inscription. The second prizes are to be school crests which are woven in silk in the school colors and two or three inches in diameter. Mr. Saunders, a member of the staff, is acting as general instructor.

Court Toronto Junction, No. 165, held one of the largest attendances in the history of the court in the history of the court. The work was ably put on by Court Weston, deputy clerk, several candidates being initiated. It was unanimously decided to organize a degree team in Court Toronto Junction, and an emergency meeting was called for initiation only on Wednesday next, May 31. After the general business the court repaired to the banquet hall where a well ordered supper was provided for them. Addresses were given by several visitors and members of the lodge.

The Empire Day concert given to-

night by the members of the choir of St. Paul's Anglican Church, Runnymede, proved a great success. The program was a most enjoyable one and the soloists by the choir included works from Sir Edward Elgar, Sir Alexander Mackenzie, Sir W. Sterndale Bennett, Sir J. Barnby, Dr. Arne, and other celebrated composers. Addresses were given by Rev. Canon Bryan, and Mr. J. Castrol Hopkins, on Empire Day subjects. The entire program was under the direction of Mr. J. M. Rhodes, the organist and choir-master of the church.

Hylinda Club held an assembly to-night in the Masonic Hall, Annettoe-street.

SUTTON.

SUTTON, May 23.—(Special.)—This village will expend \$500 in sinking Artesian wells, and if successful the installation of a system of waterworks will be carried out without delay. The growing importance of Sutton renders it imperative that some forward step along this line be taken at once.

THE FRANK ELLIOTT SALE.

A credit sale of cattle and horses took place on the premises of Frank Elliott, York and Scarboro town line, yesterday. A good crowd of buyers attended. Forty-eight head of cattle, Holsteins and grades, were sold, also some horses.

The purebred Holsteins brought from \$150 to \$375 each, and the grades \$75 to \$90. Nine horses sold from \$100 to \$550 each. D. Beldam, the well known auctioneer, officiated.

NORTH TORONTO.

NORTH TORONTO, May 23.—(Special.)—A short and comparatively unimportant meeting of the finance committee was held to-night, when a number of routine accounts laid over from last meeting were put thru.

At midnight Ex-Mayor John Fisher was very low and his early demise was regarded as not improbable by those in attendance.

There is little in the way of excitement promised locally to-day and a general exodus east, west, north and south is looked for.

EARLS COURT.

Youth Fell Thru Glass Frame, Cutting Hand Severely.

EARLS COURT, May 23.—(Special.)—The injuries which befell young Harry Robinson, son of W. A. Robinson, florist, at the corner of Dufferin and St. Clair-avenue yesterday afternoon, while painful, are not serious and to-day he is doing as well as could be expected. Young Robinson was assisting his father in the greenhouse and while walking from one part of the grounds to another, and carrying some material, he fell thru a glass frame. One of his thumbs was caught in the bone and the hand severely lacerated.

ST. CLAIR-AVENUE WIDENING.

People Along Roadway Say Scheme Will Be Bungled After All.

There is a good deal of criticism among the property owners along St. Clair-avenue at the irregularity which now is being manifested in the way in which the street widening is to be carried out. Between Yonge-street and Avenue-road, according to the plans now being made, there will be 36 feet, an increase of 20 feet over the present street. From Weston-road to Randall-avenue 17 feet will be cut off either side. From the Roman Catholic Separate School at this point, to Oakwood, the extra width will be all from the north side, gradually tapering from the south side. From Oakwood-avenue to Frederic-avenue the land to be expropriated all comes from the north side, until the Vaughan-road is reached, when it runs east, and the increase comes from the south side.

Again, at Russell Hill-drive the expropriation is taken equally from either side, until Kendal-avenue is reached, when it is a gradually tapering process the extra width is again on the north side. From Avenue-road to Yonge-street ten feet is taken off each side of the roadway.

COUPON FOR THE WORLD'S THEATRE PARTY FOR Crippled and "Stay-At-Home" Children

LYMAN H. HOWE TRAVEL FESTIVAL
... ROYAL ALEXANDRA THEATRE ...
SATURDAY, MAY 27th, AT 10 A. M.

This coupon presented at the Theatre, entitles any DESERVING child to free admission. Doors open at 9.45.

"Kiddies," make some other children happy whose parents are not so well off as yours, by sending them the above coupon. They can go to the Royal Alexandra Theatre free next Saturday morning. They will have lots of fun with Lyman H. Howe, who will take them to "old" London, France and many other places and show them motor-boat racing, the launching of the biggest boat in the world, and heaps of other things. If you know of sick children, send their names to the Circulation Manager of The World, and he will see that they are taken to The World's free theatre party next Saturday morning.

Whatever may be said in favor of this plan from an engineering or economic standpoint, the fact remains that the property owners along St. Clair-avenue never contemplated any such piecemeal way of widening as that now contemplated. Instead of a long, straight, broad thoroughfare, to have a succession of ins and outs is anything but agreeable.

BISHOP DECLINED TO ACT.
Rev. Arthur Alton Henry Wright, Anglican minister of the Village of Stouffville, died on May 12, 1911, and in his will he nominated the Right

Rev. James Fielding Sweeney, Bishop of Toronto, as executor of the will and guardian of his two children. Bishop Sweeney, however, renounced all right and title to probate and execution of the will and letters of administration have been applied for by The Trusts and Guarantee Co., Limited. The will, which was annexed, was practically followed out.

The estate is valued at \$6191.52, and consists of \$500 household goods; insurance \$900 and cash in hand \$2391.52. His son and daughter each receive \$3200, and \$50 is left to the widow and orphan fund of the Diocese of Toronto, and \$50 to St. Alban's Cathedral. De-

ceased's personal jewelry was left to his son and the mother's paintings are divided between them.

3000 CADETS REVIEWED BY EARL GREY

Continued From Page 1.

only bring strength and happiness to a country if it led to the spontaneous fulfillment of duty. It was because the scout movement had recognized this that it had become so popular. "To honor God and the King and to help others," were the self-imposed duties of every scout.

His excellency then told the story of how the scout caddy on Toronto golf course had told him with pride that he was a scout, and that it was his business as a scout, to help everybody all he could.

If the rising generation of Toronto shaped their lives after the fashion of the scout caddy of Toronto, each and all of them helping everybody all they could, they would give such an uplift to the life of their city as would make it the first city in the world. That should be their ambition.
