

Art League Concert by Huron-St. School.

School. Under the auspices of the recently or-ranized Art League of Huron-street School, a concert will be given in the Pavilion on Friday evening. Dec. 1, by the pupils of the school, assisted by other talent. An excel-lent program has been prepared, and an enjoyrable evening is undoubtedly assured to those who may patronize the concert. The object is a very worthy one, being to raise funds for the purchase of a magic landern and views, for the purpose of illustrating scientific and art subjects, and for other purposes of the Art League.

THE RIGHT PLATES.

A plate that doesn't fit-is a great deal more wrong than the wrong key for a lock—and more useless. Every day you see wearers of arti-ficial plates who talk naturallyeat heartily and with enjoyment-laugh without fear of accidentand look just as if the teeth grew there. But you don't know it when you do see them—nnless they tell. That's the beauty of perfect fit. And perfect fit is the work of skill—the product of comparison skill—the product of experience. And our plates fit.

Artificial Plates\$5.00 up. Painless extraction free when plates are ordered.

A Service of Praise. The service of praise to be given by the choir of Trinity Methodist Church next Wednesday evening will no doubt attract a large audience, judging from their suc-cess on previous occasions. The choir, cess on previous occasions. The choir, which is under the efficient direction of Mr. R. G. Kirby, will be assisted by Miss Bessie Bonsail, contraito, of New York, who will sing Liddle's "Abide With Me," and Gounod's "O, Divine Redeemer." and by Miss. H. W. Parker, soprano, and Mr. Fred W. Lee, baritone. Among the six numbers contributed by the choir I notice Shelley's "Christmas" and Mendelssohn's "Hear My Prayer," with soprano obligato by Mrs. Parker, two unaccompanied num-bers, also a choral transcription of "The Lost Chord," by Brewer, Miss E. C. Miller will preside at the organ. A silver collection will be taken at the door.

For Men Who Drive. To doctors, clergymen, business men, pro-fessional men, who have much driving to do during the winter months, J. W. T. Fairweather & Co., 84 Yonge-street (sncess-sors to J. & J. Lugsdin) are offering a very special line of fur coats in a dark northern coon-a fur specially adapted for such a purpose, or for any position where the weater is exposed to severe weather-it is a very superior coat to the garments usual-ly offered in this grade of furs, and is largely taking the place of the old-time beaver fur, which used to be considered anywhere in Canada on receipt of the price-it's a great value. Stored Trive States and even the sight of food made me sick. Was tired and

Y. C.A. Notes. The Board of Drectors met yesterday af-ternoon. President R. Kilgour was chair-man. The reports received showed good progress during the month. One hundred and twenty-six members took out tickets during the four weeks. The gymnasium at-tendance during November is a record-breaker. Two hundred and sixty are en-rolled in the evening school. Five religious neetings ate held each week. The treasurer reported all bills had been paid, but that \$500 in subscriptions would be needed be-fore December 15. Y.W.C.A. Notes.

Says "Dan" Will Get It. E. F. Fauquier, who went along to China with "Dan" Mann to seeure railway con-tracts, is at the Queen's Hotel. He be-lieves Mr. Mann will get the permit and says there is big money in it, as outside the Russian railways there are not more than 500 miles of railway in the empire, or about one mile for every million inhabi-tants.

Than Rich." Wise people are also rich when they know a perfect remedy for all annoying diseases of the blood, kidneys, liver and bowels. It is Hood's Sarsaparilla, which

is perfect in its action. It so regulates the entire system

as to bring vigorous health.

Waterville, N. S. **Sternach Trouble**—"I was greatly troubled with my stomach, and even the sight of food made me sick. Was tired and languid when I commenced taking Hood's Sarsaparilla. Several bottles made me feel like myself again, and since then I have used the medicine every spring and feel it has been of great benefit to me and others in my family." JAMES MCKENZIE, 350 Gladstone Ave., Toronto, Ont.

Out of Sorts -- "Had no appetite, could not sleep, was out of sorts. Had trouble with my kidneys. Since taking Hood's Sarsaparilla have good appetite, sleep soundly and enjoy better health." Mrs. MARGARET BIRD, 582 Bethune Street, Peterboro, Ont.

Gertrude Black-Edmonds' Recital. The musical recital announced for Tuess day evening next, the 28th, in Association Hall, should attract a fine audience, as both Mr. Fox, the violinist, and Mrs. Black Edmonds will then appear for the first time this season. Mrs. Black-Edmonds has been adding many charming ballads to her reper-toire, and the many admirers of her beauti-ful contraito voice will find a great treat awaiting them Tuesday evening. Mr. For solo and great a favorite with Toronto audiences to require any heralding. The plan opens this morning at Gouriay, Winter & Leeming's, and those wishing choice of scats should be there early. The costumes are conced-ed to be the finest and most elaborate ever used by a burlesque company. The scenery is new and original in design, and with the electrical effects used makes it a very brilliant pleture. The performance will open with the laughable one-act farce en-titied, "The Rounders' Ball." The folio is an exceptionally strong one.
