Miss M. Cartledge gives some helpful advice to young girls. Her letter is but one of thousands which prove that nothing is so helpful to young girls who are just arriving at the period of womanhood as Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: - I cannot praise Lydia E. Pinkam's Vegetable Compound too highly, for it is the only medicine I ever tried which cured me. I suffered much from my first menstrual period, I felt so weak and dizzy at times I could not pursue my studies with the usual interest. My thoughts became sluggish, I had headaches, backaches and sinking spells, also pains in the back and lower limbs.

'Finally, after many other remedies had been tried, we were advised to get Lydia E. Pinkham's Vegetable Compound, and I am pleased to say that after taking it only two weeks, a wonderful change for the better took place, and in a short time I was in perfect health. I felt buoyant, full of life, and found all work a pastime. I am indeed glad to tell my experience with Lydia E. Pinkham's Vegetable Compound, for it made a different girl of me. Yours very truly, Miss M. Cartledge, 533 Whitehall St., Atlanta, Ga."

At such a time, the grandest aid to nature is Lydia E. Pinkham's Vegetable Compound. It prepares the young system for the accessary changes, and is the surest and most reliable cure for woman's ills of every nature. Mrs. Pinkham invites all young women who are ill to write her for free advice. Address, Mrs. Pinkham, Lynn, Mass.

Mrs. Pinkham, Lynn, Mass.

Mrs. Estes, of New York City, says:

"Dear Mrs. Pinkham:—I write to you because I believe all'young girls ought to know how much good your medicine will do them. I did dress-making for years before I was married, and if it had not been for Lydia E. Pinkham's Vegetable Compound, I do not believe I could have stood the strain. There is no other work that is such a strain on the system. Oh, how my back used to ache from the bending over! I would feel as though I would have to scream out from the pain, and the sitting still made me so terribly tired and weak, and my head throbbed like an engine. I never could cat after work, I was so worn out. Then I was irregular, and had such frightful cramps every month they would simply double me up with pain, and I would have to give up working and lie down. But Lydia E. Pinkham's Vegetable Compound changed me into a strong, well woman. Yours very truly, Mrs. Martha Estes, 513 West 125th St., N. Y. City."

DEPUTIES TO FIGHT DUELS.

Paris, July 14.—Deputy Cesbron (Republican), has challenged M. Gorault-Richard (Socialist deputy from Guadeloupe), to fight a duel. The latter called M. Cesbron a "jackanapes" during the turbulent session Tuesday. As the result of a violent dispute in the corridor last night, in the course of which the most violent epithets were used, such as "dog of a Jew" and "blackguard." Francis De Pressense, Socialist deputy, and Louis Lucien Klotz, Radical deputy, have appointed seconds to arrange a duel.
