NINETEENTH ANNUAL REPORT

OF THE

ENTOMOLOGICAL SOCIETY

OF

ONTARIO.

To the Honourable the Minister of Agriculture :

SIR,—I have the honour to submit for your approval the annual report of the Entomological Society of Ontario for 1888.

Included in the report is the financial statement of the Society, and the transactions of the annual meeting held in Ottawa, at which the Society had the pleasure of your presence, thereby evincing an interest in matters Entomological which was much appreciated by the members of the Society, and which will, it is hoped, be a means of encouraging the work of Entomologists in our Province.

Our monthly journal, the *Canadian Entomologist*, has been regularly issued during the year, and some measure of the value in which it is held by students of agriculture may be obtained by the fact that many of the Agricultural Experiment Stations in the United States have purchased from the Society complete sets of the magazine for reference in the course of their work.

During the year the Society's collection of insects was returned from the Colonial Exhibition in London, England, and work is now in progress fitting it up as a permanent and representative collection for reference on the Entomology of Ontario.

I have the honour to be, Sir,

Your obedient servant,

W. E. SAUNDERS,

Secretary-Treasurer.
