The Local Sporting Circuit CLOSING GAMES AT TECUMSEH;

race been closer, one might be justified It is the result was so long anticipated the rental has doubled. that such an action would seem belated, to say the least. Undoubtedly the Champions of 1907 have made a record for consistent, clever work that will stand for a long time, but it also seh Park at six o'clock, and all hands goes without saying that the fans would have been a hundred times more pleased had one or more of the other teams in the race been closer up at the finish. That the best team won no continuous times are urged to be on hand when the fun starts. There are few in this section when the handsome kids from Lonlanded on little Tommy for three more hits, and alded by a like number of the country who know the scrimble.

Will tell you that there was a period band. In the eighth the Bakers again landed on little Tommy for three more hits, and alded by a like number of the the finishing errors, scored another trio of the country who know the scrimble. the finish. That the best team won no one for a moment doubts, and the boys who made up the team should be accorded all the credit due them.

C.A., does, and the fact that he has gong in a diamond setto; but that was many moons ago.

In the first of the closing contests by everybody interested in the game at Tecumseh Park Saturday, the Next Year's Possibilities.

It may perhaps appear a trifle premature to speak of the possibilities of next year's City League, but there ject. Such one-sided races as the one practice. this year cannot endure forever, and the City League was indeed fortunate to have received the large patronage things, and there were reasons - although not justifiable ones - why some of the teams lower down showed enough to cope with the leaders. Why the past in London at least. were no changes made when it was realized that the present team had no spots. A glimpse at the fielding and he is probably holding out for more batting averages will tell the tale money. Oh, Coa Cocoa! quickly enough.

TIGERS BY TWO GAMES

Hugh Jennings says: "Detroit will win the American League pennant this year. This team will win by exactly two games. That's close figuring, but I want to go on record as saying it.

"Philadelphia is the only serious rival we have to contend with. To the Cleveland team I will concede a fair outside chance of winning the pennant. It must, however, have all the good luck and none of the bad. "To the present champions,

the White Sox, I cannot concede a chance. "I am banking on seeing the Athletics take a slump almost any day. They have played to the limit of their speed about long enough, and it is only na-

tural that they should tumble and sag off. "The Tigers will not slump any more."

Tokio's trouble is earthquakes.

pvertime, and they were after me to relieve the distress in Wall street. And the Transvaal gold mines, which fact is giving the British some concern. —a gentleman of your talents?"

"O, just couldn't get away," said the face, meekly and wistfully. "The folks were sick most of the time and then I always thought there would be a chance to start something. Say, by the way, did you forget that little matter—that little matter between you and

A. A. A., 20 feet 3 inches, 3. Three teams were entered in the re-CHAMPIONSHIPS lay race—Hamilton Y. M. C. A., Central Y. M. C. A., and West End Y. M. C. A.—the teams finishing in the order named. Hamilton having it easy, thanks to Bobbie Kerr, while Central Results of First Meet of the and West End fought it out for second, Barber outclassing Sebert.

A substitute for beeswax has been discovered in the leaves of the rafia palm, a product of the Island of Madagascar. The wax is extracted by the something to call attention to the fact. C. A. A. U. championships held here leaves on a mat to small bits. The simple process of beating the dried particles are then gathered and boiled. The resultant wax is kneaded into First heat-Robert Kerr, Hamilton small cakes. Experiments are being made with the new substance to find out its commercial value-whether it may be used for bottling purposes, in the manufacture of phonograph cylin-

ders. etc. A A Robinson president of the Mexican Central Railway, began his career as an axman in an emgineering corps of the St. Joseph and Denver City Railroad.

Alford W. Cooley, just appointed Fourth Assistant Attorney General, is a protege of President Roosevelt. Cooley is clean-cut and a good "mixer."

The Value of Printed Matter

You can't get and hold business nowadays with - old sort of printed matter. People are not going to place any more value on your business literature than you do. If you are careless of what goes into your catalogue and the manner in which it goes in, prospective customers are pretty sure to treat the book in accordance with your views. Think this over. We are always pleased to aid our customers with suggestions. Come in and talk over your next job. We may give you an idea that will save you some
