TO MERCHANTS.

This Society being desirous to afford every facility to the dissemination of the Scriptures, request mercantile gentlemen residing in this city, to inform their country customers that they can be supplied with Bibles and Testaments (at the Society's prices) in the different languages mentioned in pages 5, 6, and 7, at the Depository, St. Joseph, to be removed to 31 Great St. James Street, 1st May next.

The following Constitution of a Branch Society and Bible Association, is inserted for the purpose of facilitating the formation of those useful Institutions. Persons in the country are particularly invited to form themselves into Auxiliary Societies: besides discharging the duty of assisting in disseminating the Word of God, (which is incumbent on every Christian,) they would consult their private advantages, as they would thereby be enabled to obtain Bibles and Testaments at the Society's prices; whereas, at present, they purchase from Country Merchants at a high rate.
