READERS OF THE TIMES SHOULD BE INTERESTED IN THIS

Relief from catarrh, coughs, colds, hay fever, asthma and bronchitis, can be had in five minutes simply by breathing the soothing, healing, balsamic air of Hyomei over the nose and raw membrane. It acts like magic. When you breathe Hyomei you bring the air from the Australian forests of pine and eucalyptus to your home, and the curative power both is so pronounced that all diseases of the nose, throat and lungs are unknown in inland Australia.

Hyomei (pronounced High-me) is sold by Chas. R. Wasson, 100 King street, under a positive guarantee to cure any of the above named diseases or symptoms, or money back.

"I have used Hyomei for two weeks and have been relieved very much. I can certainly recommend it to any one suffering from catarrh, etc."—Fred Hyde, Jarvis, Ont.

The price for a complete outfit, including a hard rubber inhaler, is \$1.00, and on the cure, no pay plan, all sufferers should try it.

MIONA Cures Dyspepsia.

Your money back if it doesn't. Gives immediate relief from heartburn, sour stomach, stomach distress and sick headache. 50 cents a large box at Chas. R. Wasson's.
