LETTER FROM CHAS. SULLIVAN His Wounds Are Not Serious and He Expects to Be Back With His Battalion Soon

Mrs. Sullivan of Sackville is in receipt of the following letter from her son Charles, who was wounded some time ago while fighting in France. His father was formerly on the St. John police force. The soldier writes:

Dear Mother:

You have no doubt long before this had word that I had been wounded. I hope that it did not disturb you too much.

It happened a week ago last night at about eleven o'clock. We were out in a block when "old Fritz" started shelling quite heavily and the shrapnel, mud and stones were flying through the air like rain. It happened that one of the boys who was in our party got hit in the leg with a piece of shrapnel. The corporal and I stopped to help him out, but we had only got four or five steps when I went down. It stunned me for a while and I thought that I was done for. When I came to myself, I did not know for sure that I had been hit until I put my hand to my head which was smarting. I got out then and waited until the shelling was over and then went out and had my wound dressed and from there went to the hospital.

My steel helmet was all that saved me. It made quite a dent in it, but luckily I did not go through. I am in a hospital quite a way from where the fighting is going on, although I would rather have gone to "Brighton," as they call England. I guess, however, that my wound is not serious enough to get me over there.

I am getting along fine, have been up now three days and my head is doing great. I was out to the Y.M.C.A. concert this afternoon and it was very good. We got very good food here. We eat four times a day. Today, I had chicken for dinner, although it is usually roast beef.

I suppose you have heard from the chaplain here. He came to the first hospital in which I was and took my name from your eyes. He would like him to write home, to which I agreed. Had I gotten over to England, I would have called you. However, I hope the telegram telling you of my being wounded also told you that it was not serious. I do not think that it will be long before I am back with the battalion.

Well, mother, I will fine off and hope that you will see from this that I am all right and that the first news of my getting hit did not greatly affect you.

A TREATMENT FOR NERVES

Woman Tells How Lydia E. Pinkham's Vegetable Compound Helped Her.

West Danby, N. Y. - "I have had nervous trouble all my life until I took Lydia E. Pinkham's Vegetable Compound for nerves and for female troubles and it straightened me out in good shape. I work nearly all the time, as we live on a farm and I have four girls. I do all my sewing and other work with their help, so it is not too much for me."

I took the Compound when my ten year old daughter came and it helped me a lot. I keep it in the house all the time and recommend it to Mrs. DEWITT SINCLAIR, West Danby, N. Y.

Sleeplessness, nervousness, irritability, backache, headaches, dragging sensations, all point to female derangements which may be overcome by Lydia E. Pinkham's Vegetable Compound.

This famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

shows that I stand it real well. I took the Compound when my ten year old daughter came and it helped me a lot. I keep it in the house all the time and recommend it to Mrs. DEWITT SINCLAIR, West Danby, N. Y.

hope that your parcel will be waiting on my return to the battalion as I am anxious to get it. With love to dad and to all in St. John, and all the neighbors, I am, my dear son, CHARLES.
